

SPEED PADDLE HOLSTERS - GALCO INTERNATIONAL SPEED S&W M&P COMPACT-TAN-RIGHT HAND

[Home](#)

Featuring an open top design for speed, covered trigger guard for safety, and tension screw adjustment for added security, the Speed Paddle™ adds convenient on/off ability to the equation. This holster also includes Galco's copolymer injection-molded belt-lock paddle, which makes it possible to put on and take off this holster without removing your belt. Constructed of premium saddle leather, the Speed Paddle fits belts up to 1 3/4".

Safety Instruction Guide for SPEED PADDLE HOLSTERS

Introduction

Thank you for choosing the SPEED PADDLE HOLSTER by Galco International. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the holster is compatible with your firearm model (Smith & Wesson M&P Compact).
- Always keep the holster and firearm pointed in a safe direction.
- Do not load your firearm until you are ready to use it.
- Regularly check the holster for wear and tear to ensure it remains functional and safe.
- Store the holster and firearm securely, away from children and unauthorized users.
- Be aware of your surroundings when using the holster and firearm.

Specific Safety Precautions for Use

- **Trigger Guard:** Always ensure the trigger guard is covered when the firearm is holstered.
- **On/Off Ability:** Practice using the paddle feature in a safe environment to become familiar with its operation.
- **Tension Screw Adjustment:** Adjust the tension screw to secure the firearm properly in the holster. Ensure it is tight enough to prevent accidental dislodging.
- **Belt Compatibility:** The holster is designed to fit belts up to 1 3/4". Ensure your belt meets this requirement for proper use.
- **RightHand Use:** This holster is designed for righthand use only. Ensure you are using it correctly to avoid accidents.

Instructions for Installation and Usage

- **Installation:**

1. Slide the paddle of the holster onto your belt, ensuring it sits comfortably against your body.
2. Adjust the tension screw if necessary to ensure the firearm fits securely in the holster.

- **Usage:**

1. Before drawing your firearm, ensure the area is clear of obstructions and people.
2. Grip the firearm firmly and draw it from the holster in a smooth motion.
3. After use, reholster the firearm carefully, ensuring the trigger guard is covered.

Disposal Instructions

- Dispose of the holster responsibly. If it is damaged or no longer in use, consider recycling it where possible.
- Follow local regulations for the disposal of leather products.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SPEED PADDLE HOLSTER, please refer to the contact

information provided by the retailer or manufacturer.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe use of your SPEED PADDLE HOLSTER. Always prioritize safety and remain aware of your surroundings when handling firearms. Thank you for your attention to these important safety measures.
