KAK SHOCKWAVE TUBE Safety Instruction Guide

Introduction

Thank you for choosing the KAK SHOCKWAVE TUBE by KAK INDUSTRY. This safety instruction guide provides essential information to ensure the safe and effective use of your product. Please read this guide carefully before using the KAK SHOCKWAVE TUBE.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended length adjustment settings.
- Avoid using the product in extreme weather conditions that may affect performance.
- Ensure the tube is securely attached to prevent accidental disassembly during use.
- Be aware of your surroundings when using the product to avoid injury to yourself or others.
- Use appropriate protective gear when handling or using the product.

Instructions for Installation and Usage

1. Installation Instructions

- Ensure that you have all necessary components before starting the installation.
- Align the KAK SHOCKWAVE TUBE with the rear of the SHOCKWAVE BLADE.
- Secure the tube using the CASTLE NUT design, ensuring it is tightly fastened.
- Adjust the length to your preference, ensuring it is securely locked in place.

2. Usage Instructions

- Before each use, check that the tube is securely attached and adjusted correctly.
- Adjust the length according to your comfort and the intended use.
- When collapsing the tube, ensure it is flush with the rear of the SHOCKWAVE BLADE.
- After use, store the product in a safe and dry place.

Disposal Instructions

- Dispose of the product in accordance with local regulations for nonfood products.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the KAK SHOCKWAVE TUBE, please refer to the manufacturer's website or contact your local distributor.

Thank you for your attention to safety and for choosing KAK INDUSTRY. Enjoy your KAK SHOCKWAVE TUBE responsibly!
