DAKA™ Essential Wallet Safety Instructions

Introduction

Thank you for choosing the DAKA™ Essential Wallet by Magpul. This safety instruction guide is designed to ensure the safe use of your wallet while complying with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand how to use your wallet safely and effectively.

General Safety Guidelines

- Ensure that the wallet is used solely for its intended purpose: carrying cards and essential items.
- Regularly inspect the wallet for any signs of wear or damage. If you notice any issues, discontinue use immediately.
- Keep the wallet out of reach of small children to prevent choking hazards from small items that may be carried inside.
- Do not expose the wallet to extreme temperatures or direct sunlight for prolonged periods, as this may affect its durability.
- If you experience any allergic reactions to the materials used in the wallet, stop using it and consult a healthcare professional.

Specific Safety Precautions for Use

- When inserting or removing cards, do so gently to avoid damaging the wallet or the cards.
- Avoid overloading the wallet; it is designed to hold 37 cards comfortably. Exceeding this limit may cause damage.
- Do not use the wallet for carrying sharp objects or items that could puncture or tear the material.
- Be cautious when carrying the wallet in pockets, as its slim profile may lead to it slipping out if not secured properly.
- If the wallet becomes wet, dry it thoroughly before storing it to maintain its integrity.

Instructions for Installation and Usage

- To use the wallet:
 1. Open the wallet by gently pulling apart the edges.
 2. Insert your cards into the designated slots, ensuring they fit snugly.
 3. Close the wallet securely by pressing the edges together.
 4. To access your cards, open the wallet and remove the desired card from the slot.
- For best results, store only essential items in the wallet to maintain its slim profile and ease of use.
- When not in use, store the wallet in a cool, dry place away from direct sunlight.

Disposal Instructions

- When the wallet reaches the end of its life cycle, please dispose of it responsibly.
- Check local regulations for proper disposal methods for polymer materials.
- Do not incinerate the wallet, as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding the safety or use of your DAKA™ Essential Wallet, please refer to the contact information provided on the packaging or visit the official Magpul website for assistance.

Thank you for your attention to these safety instructions. Enjoy using your DAKA™ Essential Wallet!
