

# AK-47 FSC47 MOD 2 MUZZLE BRAKE 7.62X39 - PRIMARY WEAPONS FSC47 MOD 2 MUZZLE BRAKE 7.62X39 14X1 LH STEEL BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

In addition to offering superior compensation characteristics, PWS FSC Series provides enough flash suppression to keep the flash out of your optics and line of sight. Designed for both competitive and tactical use, the FSC Series allows for superior muzzle stabilization and aids the shooter in faster follow-up shots and accuracy. The unique port design of the FSC Series yields muzzle control that meets or exceeds the performance of the best muzzle brakes on the market without the teeth-rattling overpressure indicative of other brakes and compensators. Caliber - .30 Length - 2.10" Diameter - .865" Thread Pitch - 14x1 LH Weight - 2.0 oz

# Safety Instruction Guide for AK47 FSC47 MOD 2 Muzzle Brake 7.62x39

## Introduction

Thank you for choosing the AK47 FSC47 MOD 2 Muzzle Brake 7.62x39. This product is designed to enhance your shooting experience by providing superior muzzle stabilization and flash suppression. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Product Safety: Ensure safe use of the muzzle brake by following all instructions and guidelines.
- Enhanced Recalls: In the event of a recall, follow the standardized notices and seek free remedies for any dangerous products.
- Online Shopping: If purchased online, ensure that the platform complies with safety requirements.
- Special Consumer Focus: Extra care should be taken if the product is used around vulnerable groups, such as children.
- EU Contact Point: For safety inquiries, refer to the designated EU contact point associated with this product.
- Rapid Alerts: Stay informed about unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with this muzzle brake.
- Ensure the muzzle brake is securely attached to the firearm before use.
- Do not modify the muzzle brake or use it in any way not specified in the instructions.
- Be aware of your surroundings and ensure a safe shooting environment.
- Keep the muzzle brake and firearm away from children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage before each use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the threads of the muzzle and the muzzle brake to remove any debris.
- Align the muzzle brake with the threads on the muzzle.
- Screw the muzzle brake onto the muzzle in a clockwise direction, ensuring it is tightly secured.
- Use a wrench, if necessary, to ensure a snug fit, but avoid overtightening.

### 2. Usage:

- Always ensure the firearm is pointed in a safe direction when loading or unloading.
- Check that the muzzle brake is properly installed before each shooting session.
- Fire the firearm according to the manufacturer's guidelines and with the appropriate ammunition (7.62x39).
- Monitor the performance of the muzzle brake and the firearm during use. If any issues arise, cease use immediately.

## Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations regarding metal waste.
- Do not dispose of the muzzle brake in regular household waste.

- Consider recycling options for metal components if available in your area.

## **Contact Information for Further Support**

For further support or safety inquiries regarding the AK47 FSC47 MOD 2 Muzzle Brake 7.62x39, please refer to the designated EU contact point associated with this product.

By following these safety instructions, you can ensure a safer and more enjoyable shooting experience with your AK47 FSC47 MOD 2 Muzzle Brake 7.62x39. Thank you for your attention to these guidelines.
