## AR-15 GEN II EXTENDED MAGAZINE RELEASE FLAT DARK EARTH

[Rifle Parts](#) > [Receiver Parts](#) > [Magazine Parts](#) > [Magazine Releases](#)

### An Extended Magazine Release Compatible With the Magpul BAD Lever

Though the first generation of the ODIN Works XMR Extended Magazine Release was a huge success, a large number of AR owners demanded a version of the release that was compatible with the Magpul BAD lever. Now, with the Gen II version of its XMR magazine release, ODIN Works is giving today's AR enthusiasts exactly what they asked for. Each ODIN Works XMR Extended Magazine Release is machined from 6061 aluminum and is designed to provide a larger, push-button surface area that makes releasing magazines faster and easier than ever before. This release features the ODIN boomerang cut, and installation takes only minutes. The release fits both AR-15 and AR 308 style rifles.

# Safety Instruction Guide for AR15 GEN II Extended Magazine Releases

## Introduction

Thank you for choosing the AR15 GEN II Extended Magazine Release by ODIN Works Inc. This product is designed to enhance your shooting experience by providing a larger pushbutton surface area for faster and easier magazine release. To ensure your safety and the proper functioning of the product, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to fire.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear or damage.
- Use only compatible accessories specifically designed for your firearm model.
- Report any unsafe products or accidents to your local authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the magazine release is properly installed before use.
- Do not force the magazine release; if it does not operate smoothly, consult a qualified gunsmith.
- Avoid using excessive force when releasing the magazine to prevent injury or damage to the firearm.
- Keep hands and fingers clear of the magazine well when releasing the magazine.
- Only use the product in accordance with the manufacturer's instructions.

## Instructions for Installation and Usage

### Installation Steps

1. **Gather Tools:** You will need a small flathead screwdriver or appropriate tool for installation.
2. **Clear the Firearm:** Ensure that the firearm is unloaded and the chamber is clear.
3. **Remove the Existing Magazine Release:**
  - Locate the magazine release button on your AR15.
  - Use the screwdriver to push in the detent pin and rotate the release counterclockwise until it comes free.
4. **Install the New Magazine Release:**
  - Align the ODIN Works XMR Extended Magazine Release with the mounting hole.
  - Push the release into place and rotate it clockwise until it locks securely.
  - Ensure that the detent pin is properly seated.
5. **Test the Release:**
  - Check that the magazine release operates smoothly by pressing it several times.
  - Make sure it releases the magazine without obstruction.

### Usage Instructions

- To release the magazine, press the extended magazine release button firmly with your thumb.
- Ensure that the firearm is pointed in a safe direction when releasing the magazine.
- After releasing the magazine, visually inspect the chamber to confirm it is clear.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal recycling.
- Do not dispose of in regular household waste.
- If the product is damaged or no longer usable, take it to a designated recycling facility.

## **Contact Information for Further Support**

For questions or concerns regarding the AR15 GEN II Extended Magazine Release, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these guidelines and instructions, you will help ensure your safety and the safe operation of your firearm. Thank you for your attention to these important safety measures.
