

# AR-15 ATLAS 5 COMPENSATOR 22 CALIBER - ODIN WORKS INC.

## AR-15 ATLAS 5 COMPENSATOR 22 CALIBER 1/2-28 SS SILVER

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The ODIN Works ATLAS 5 is true innovation when it comes to muzzle devices. The ATLAS 5 features a 3-piece modular design that makes installation simple and fast. The significant amount reduced recoil provided by the ATLAS 5 allows the shooter to stay on target for follow-up shots. The core and the cap are machined from 416R stainless steel and black nitrided while the sleeve is made from titanium. Timing and tuning is done with the titanium sleeve, no shims or crush washers needed. Combine with the ODIN Works adjustable gas block for maximum tuning. 1/2-28 threads for 22 caliber.

# Safety Instruction Guide for the AR15 ATLAS 5 Compensator 22 Caliber

## Introduction

Thank you for choosing the AR15 ATLAS 5 Compensator 22 Caliber by ODIN Works Inc. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always treat the compensator as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until ready to shoot.
- Wear appropriate eye and ear protection when using the compensator.
- Ensure that the compensator is compatible with your firearm model.
- Regularly inspect the compensator for signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's specifications regarding ammunition type and caliber.
- Avoid using the compensator in environments where it may come into contact with flammable materials.
- Ensure that the compensator is securely attached before use to prevent accidental detachment.
- Do not modify the compensator or use it in ways not intended by the manufacturer.
- Be aware of the increased noise and muzzle blast associated with compensators.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device from the firearm.
- Clean the muzzle threads of any debris or residue.
- Align the compensator with the muzzle threads and handtighten it clockwise until secure.
- Use a torque wrench to tighten the compensator to the manufacturer's recommended specifications.
- Ensure that the compensator is properly timed and oriented for optimal performance.

### 2. Usage

- Before firing, doublecheck that the compensator is securely attached.
- Use the compensator with appropriate ammunition (22 caliber).
- Monitor the performance of the compensator during use, paying attention to any unusual sounds or movements.
- After use, allow the compensator to cool before handling, as it may become hot.

## Disposal Instructions

- Dispose of the compensator in accordance with local regulations regarding metal recycling.
- If the compensator is damaged or no longer usable, ensure it is disposed of in a manner that prevents accidental use.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 ATLAS 5 Compensator 22 Caliber, please refer to the manufacturer's website or contact their customer support directly.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your AR15 ATLAS 5 Compensator 22 Caliber. Always prioritize safety and responsible usage. Thank you for choosing ODIN Works Inc.
