# Safety Instruction Guide for AR15 300 Blackout Magazines

## Introduction

Thank you for purchasing the AR15 300 Blackout Magazines with Red Follower from D&H Industries. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your magazine. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearms and ammunition in your area before using this product.
- Always treat every magazine as if it is loaded.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Inspect the magazine for damage or wear before each use. Do not use if damaged.
- Follow all manufacturer instructions for the safe handling and operation of firearms.

## Specific Safety Precautions for Use

- Ensure the firearm is pointed in a safe direction when loading or unloading the magazine.
- Always wear appropriate eye and ear protection when using firearms.
- Do not exceed the magazine's capacity as specified (20 rounds for this product).
- Never attempt to modify the magazine or its components.
- Keep fingers away from the trigger until ready to shoot.
- Be aware of your surroundings and ensure a clear shooting area.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before inserting the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

### 2. Loading the Magazine:

- Hold the magazine in one hand with the follower facing up.
- Insert rounds into the magazine, ensuring they are seated properly.
- Do not overload the magazine beyond its specified capacity.

### 3. Using the Magazine:

- Insert the loaded magazine into the firearm as described in the installation section.
- Ensure the magazine is securely locked in place before firing.

### 4. Unloading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Remove the magazine from the firearm by pressing the magazine release button.
- Empty the magazine by pushing the follower down and removing the rounds.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations regarding metal and hazardous materials.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Dispose of it safely to prevent accidents.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your AR15 300 Blackout Magazine, please contact your local dealer or the manufacturer. It is important to have a point of contact for any safety inquiries.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe use of your AR15 300 Blackout Magazines. Always prioritize safety when handling firearms and ammunition. Thank you for choosing D&H Industries.
