

# COPIA SINGLE MAGAZINE CARRIER - RAVEN CONCEALMENT SYSTEMS COPIA SINGLE PISTOL MAG CARRIER 9/40 BLACK STANDARD

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Magazine Belt Pouches](#)

The Copia magazine carriers are premium, duty-grade, injection-molded magazine carriers designed for hard-use, daily concealed carry. Their innovative cavity design and retention system allows them to be used ambidextrously with the double-stack magazines of nearly 100 different handgun models chambered in 9/40/357 Sig. They are available in singles or doubles, and have a body-hugging contour which is not only more comfortable than traditional magazine carriers; it is also more concealable. Shooters can also select between the standard tall body-style, which is compatible with all of Raven Concealments modular belt attachments, or short body-style which only works with their closed loops and QMS. Finally, you can buy one pistol magazine carrier that will work with nearly all the handguns in your collection! Just some of the models we have found to fit the Copia are: Glock 9/40 Smith & Wesson 9/40 Sig Sauer 229, 226, 320 CZ P-09, P-07, 75B Heckler & Koch VP9, P30, P2000 Beretta M9, 92, 96, PX4 FN FNP, FNX, FNS 9 Springfield Armory XD 9/40, XDM 9/40 Styer 9/40 Browning Hi-Power

# Safety Instruction Guide for COPIA SINGLE MAGAZINE CARRIER

## Introduction

Thank you for choosing the COPIA SINGLE MAGAZINE CARRIER by Raven Concealment Systems. This product is designed for safe and effective concealed carry of firearm magazines. Please read this safety instruction guide carefully to ensure proper use and maintenance of the magazine carrier.

## General Safety Guidelines

- Ensure the magazine carrier is compatible with your specific handgun models before use.
- Always handle firearms and ammunition with care and in accordance with safety protocols.
- Keep the magazine carrier out of reach of children and unauthorized users.
- Regularly inspect the magazine carrier for signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility Check:** Verify that your magazine carrier is compatible with the specific magazines you intend to use.
- **Ambidextrous Use:** The carrier is designed for ambidextrous use. Ensure that you are familiar with how to use it comfortably on either side.
- **Retention System:** Always check the retention system before inserting your magazine to ensure it is secure.
- **Avoid Overloading:** Do not exceed the recommended number of magazines for the carrier.
- **Concealment:** Ensure that the magazine carrier is properly concealed to avoid unnecessary attention.
- **Training:** Engage in proper training for concealed carry to ensure safe and effective use.

## Instructions for Installation and Usage

### 1. Selecting the Right Magazine Carrier:

- Choose either the single or double magazine carrier based on your needs.
- Ensure that the selected carrier fits your specific magazine type (9 mm Luger, 40 S&W).

### 2. Attaching the Carrier:

- Use the bodyhugging contour to secure the magazine carrier against your body.
- If using the standard tall bodystyle, ensure compatibility with all Raven Concealment modular belt attachments.
- For short bodystyle, ensure it is attached only to closed loops and QMS.

### 3. Inserting the Magazine:

- Align the magazine with the carrier's cavity.
- Push the magazine down into the carrier until you hear a click, indicating it is securely in place.

### 4. Removing the Magazine:

- To remove the magazine, grasp the carrier with one hand.
- With the other hand, pull the magazine upwards until it is free from the carrier.

## **5. Adjusting for Comfort:**

- Adjust the positioning of the carrier as necessary for comfort and accessibility.

## **Disposal Instructions**

- Dispose of the magazine carrier responsibly at a designated recycling or waste facility.
- Do not incinerate the carrier as it is made from injectionmolded polymer, which can release harmful substances when burned.
- Follow local regulations for the disposal of plastic products.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the COPIA SINGLE MAGAZINE CARRIER, please refer to the manufacturer's contact information provided with the product packaging.
