## Introduction

Thank you for choosing the RUGER™ 10/22 TAKEDOWN™ HUNTER X22 STOCK. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the stock.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the stock and firearm securely, out of reach of children and unauthorized users.
- Regularly inspect the stock and firearm for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm use and storage.
- Use the stock only with compatible Ruger 10/22 Takedown rifles as specified in the product description.
- If you are unsure about any aspect of using the product, seek guidance from a qualified professional.

## Specific Safety Precautions for Use

- Ensure that the stock is properly attached to the firearm before use.
- Do not modify the stock or firearm in any way that could compromise safety.
- Use only factoryapproved magazines and accessories with your Ruger 10/22 Takedown.
- Be aware of your surroundings and ensure that you are in a safe environment when handling or using the firearm.
- Use appropriate eye and ear protection while shooting.
- If you experience any malfunctions or issues with the firearm or stock, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation of the Stock

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Ruger 10/22 Takedown according to the manufacturer's instructions.
- Align the Hunter X22 Takedown stock with the receiver and ensure proper fit.
- Secure the stock using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.
- Check that the stock is firmly attached and does not wobble.

### 2. Adjustment of Features

- Adjust the length of pull by using the spacers provided. The stock can be adjusted from 12.5" to 14.5".
- Adjust the comb height to fit your shooting style and comfort.
- Install optional Cheek Riser Kits if additional height is needed.

### 3. Usage of the Stock

- Always ensure that the stock is clean and free of obstructions before use.

- Familiarize yourself with the sling mounting options and ensure that they are secure before heading to the range.
- Utilize the MLOK slots for any additional accessories as needed, ensuring they are properly attached.

## **Disposal Instructions**

- Dispose of the stock in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the stock in regular household waste if it contains components that can be hazardous.
