# **Safety Instruction Guide for RUGER™ 10/22 TAKEDOWN™ HUNTER X22 STOCK MAGPUL HUNTER X22 TAKEDOWN STOCK**

## **Introduction**

Thank you for choosing the RUGER™ 10/22 Takedown™ Hunter X22 Stock by Magpul. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the stock.

## **General Safety Guidelines**

- Ensure all users are familiar with the operation of the Ruger 10/22 Takedown rifle and this stock before use.
- Always follow firearm safety rules, including treating every firearm as if it is loaded.
- Store the stock and associated firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear before each use.
- If you notice any damage, do not use the product until it has been inspected and repaired by a qualified gunsmith.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when using firearms.

## **Specific Safety Precautions for Use**

- Use only with standard Ruger 10/22 Takedown .22 LR pattern rifles.
- Ensure the stock is properly attached to the rifle before use. Follow the installation instructions carefully.
- Do not exceed the recommended length of pull adjustments. Adjust to fit your body size and shooting style.
- Use only factory or compatible aftermarket barrels that fit within the specified dimensions.
- Always check that the barrel tray is secure and properly fitted before firing.
- Be cautious when using MLOK slots for accessory mounting. Ensure all accessories are securely attached.
- Do not modify the stock or its components in any way that could compromise safety.
- Ensure that the stock is free from obstructions before firing.

## **Instructions for Installation and Usage**

### **1. Installation of the Stock:**

- Remove the existing stock from your Ruger 10/22 Takedown rifle.
- Align the Ruger 10/22 Takedown receiver with the Hunter X22 stock.
- Ensure the stock is seated properly and secure.
- Use the included hardware to fasten the stock to the receiver according to the manufacturer's specifications.
- Check for a secure fit before proceeding.

### **2. Adjusting Length of Pull and Comb Height:**

- To adjust the length of pull, locate the adjustment mechanism on the stock.
- Use the provided spacers to customize the length of pull from 12.5" to 14.5".
- To adjust the comb height, follow the manufacturer's instructions for raising or lowering the cheek riser.

### **3. Using Sling Mounts:**

- If using a sling, attach it to the designated MLOK slots or the optional swivel studs.
- Ensure that the sling is securely fastened and does not interfere with the operation of the rifle.

### **4. Cleaning and Maintenance:**

- Regularly clean the stock with a damp cloth to remove dirt and debris.
- Avoid using harsh chemicals that could damage the polymer material.
- Inspect all components for wear and tear after each use.

## **Disposal Instructions**

- Dispose of the stock and any associated materials in accordance with local regulations.
- Do not dispose of the stock in regular household waste if it is damaged or no longer functional. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding safety, installation, or usage of your RUGER™ 10/22 Takedown™ Hunter X22 Stock, please refer to the manufacturer's website or contact your local dealer for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your RUGER™ 10/22 Takedown™ Hunter X22 Stock. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
