Safety Instruction Guide for DROPIN FLAT TRIGGER FOR LARGE FRAME GLOCK® AGENCY ARMS DROPIN TRIGGER LARGE FRAME GRAY

Introduction

Thank you for choosing the Agency Arms DropIn Flat Trigger for Large Frame Glock. This product is designed to enhance your shooting experience with a smooth trigger pull and short reset. However, to ensure safe usage and compliance with safety regulations, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Always use appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearm usage.

Specific Safety Precautions for Use

- Only use this trigger with the specified Glock models: 21, 29, 30, 20, 41, and 40.
- Ensure that your firearm is unloaded before installing the trigger.
- Do not attempt to modify or alter the trigger in any way.
- Avoid using the trigger in adverse conditions (e.g., wet or muddy environments) that may impede its function.
- Be aware that improper installation may cause malfunction or unintended discharge.
- Always test the trigger function in a safe environment before regular use.

Instructions for Installation and Usage

1. Preparation

- Ensure that your firearm is completely unloaded.
- Gather necessary tools: a punch tool and a screwdriver.

2. Installation Steps

- Remove the slide from the Glock by following the manufacturer's instructions.
- Take out the factory trigger and trigger bar.
- Insert the Agency Arms DropIn Flat Trigger into the trigger housing.
- Ensure that the trigger bar is properly seated in the trigger mechanism.
- Reassemble the slide onto the frame of the Glock.

3. Testing the Trigger

- After installation, perform a function check:
 - Ensure that the trigger moves freely.
 - Check for a smooth pull and reset.
 - Verify that the safety features of the firearm are functioning properly.

4. Usage

- When ready to fire, load your firearm and ensure that you are in a safe shooting position.
- Maintain proper grip and stance while using the firearm.
- After shooting, unload the firearm and inspect the trigger for any issues.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the trigger is damaged or no longer usable, contact local authorities for guidance on proper disposal methods.
- Ensure that all components are disposed of safely to prevent unauthorized use.

Contact Information for Further Support

For any safety inquiries or support regarding the Agency Arms DropIn Flat Trigger, please refer to the contact information provided with your product packaging or visit the official Agency Arms website.

Thank you for prioritizing safety while using the Agency Arms DropIn Flat Trigger. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
