# Safety Instruction Guide for AK47 AKXG2 Extended Universal MLOK Handguards

## Introduction

Thank you for choosing the AK47 AKXG2 Extended Universal MLOK Handguards by Midwest Industries. This guide provides essential safety instructions and installation guidelines to ensure safe and effective use of your handguards. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is suitable for your specific model of AK47 or AK74, as outlined in the product specifications.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Keep the handguards out of reach of children and vulnerable individuals.
- Inspect the product for any defects or damage before installation. Do not use if damaged.
- Follow all manufacturer instructions and guidelines to avoid accidents and injuries.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the handguards with firearms that have a barrel diameter of .700 inches under the lower handguard.
- Ensure that the lower furniture length is 6 inches or more, not counting mounting surfaces.
- This model is not compatible with Yugo pattern rifles. Verify compatibility before use.
- Use caution when installing the handguards to avoid pinching or injury.
- Ensure that all installation components are secure before using the firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a torque wrench and appropriate screws.
- Ensure you have a clean and welllit workspace.

### 2. Installation Steps

- Remove the existing handguard from your AK47 or AK74 by following the manufacturer's guidelines.
- Align the MI gas tube with the proper internal geometry to your firearm.
- Position the handguard onto the firearm, ensuring it fits snugly against the lower handguard area.
- Secure the handguard using the patented clamping system provided. Follow the instructions carefully to ensure proper installation.
- Attach any opticspecific models as per the patented design features if applicable.
- Ensure that the handguard is installed securely and does not move when pulled or pushed.

### 3. Usage

- Once installed, check the handguard regularly for any signs of wear or loosening.
- Use the MLOK compatible design to attach accessories as needed, ensuring compatibility with the rail section.
- Utilize the four antirotation QD sockets for QD sling swivels to enhance usability.
- Always ensure that your firearm is unloaded when performing maintenance or adjustments.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling and waste disposal regulations.
- If the product is damaged or no longer in use, consider recycling the aluminum material where possible.
- Do not dispose of the product in fire or extreme heat, as it may release harmful substances.

## **Contact Information for Further Support**

For any questions regarding safety or installation, please refer to the manufacturer's website or contact their customer support team. Ensure you have your product details ready for reference.

By following these guidelines, you can ensure the safe and effective use of your AK47 AKXG2 Extended Universal MLOK Handguards. Thank you for your attention to safety, and enjoy your product responsibly.
