# Safety Instruction Guide for STIPPLING TIPS

## OREGON TRAIL DEFENSE STIPPLING TIP KIT

### Introduction

Thank you for purchasing the STIPPLING TIPS OREGON TRAIL DEFENSE STIPPLING TIP KIT. This guide provides important safety information and instructions to ensure the safe and effective use of your stippling tips. Please read this guide carefully before use.

### General Safety Guidelines

- Ensure all users read and understand the safety instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the stippling tips for any purpose other than intended.
- Always inspect the tips for any damage before use. Do not use damaged tips.
- Follow all local laws and regulations regarding the use of firearms and related tools.
- Report any unsafe product experiences or accidents to the relevant authorities.

### Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the stippling tips.
- Use the stippling tips in a wellventilated area to avoid inhaling fumes or dust.
- Ensure that the work surface is stable and secure to prevent accidents during use.
- Avoid contact with hot surfaces or materials. The tips can become very hot during use.
- Do not leave the stippling tips unattended while in use.
- Be cautious of the risk of burns or cuts when handling the tips.

### Instructions for Installation and Usage

#### 1. Preparation

- Gather all necessary tools and materials before beginning the stippling process.
- Ensure that your work area is clean and organized.

#### 2. Choosing the Right Tip

- Select the appropriate stippling tip based on the desired texture and design:
  - OTD 20 LPI Waffle Tip: Versatile for light to heavy textures.
  - OTD Rectangle Tip: Suitable for brick, tree bark, and checkerboard textures.
  - Small Round Tip: Provides a 1/16" dot pattern, slightly tapered for control.
  - Large Round Tip: Offers a roughly 1/8" dot pattern, similar taper as the Small Round Tip.

#### 3. Installation of the Tip

- Ensure the tool you are using is compatible with the stippling tips.
- Carefully attach the selected tip to the tool, ensuring a secure fit.
- Doublecheck that the tip is properly installed before proceeding.

#### 4. Using the Stippling Tips

- Heat the tool according to the manufacturer's instructions.
- Test the temperature on a scrap piece of material before applying it to the actual project.

- Apply even pressure and move the tip in the desired pattern, ensuring control over the tool.
- If you experience difficulty or feel unsafe, stop using the tool immediately.

## **5. PostUse Care**

- Allow the tips to cool down completely before handling.
- Clean the tips according to the manufacturer's recommendations to maintain their quality and longevity.
- Store the stippling tips in a safe, dry place away from children and pets.

## **Disposal Instructions**

- Dispose of any damaged or worn stippling tips in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling or hazardous waste disposal options.

## **Contact Information for Further Support**

For further information or assistance regarding the STIPPLING TIPS OREGON TRAIL DEFENSE STIPPLING TIP KIT, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for prioritizing safety while using the STIPPLING TIPS OREGON TRAIL DEFENSE STIPPLING TIP KIT. Your attention to these guidelines will help ensure a safe and enjoyable experience.
