REMINGTON 870/1100 XP FIRING PIN SPRING

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the REMINGTON 870/1100 XP FIRING PIN SPRING by WOLFF. This product is designed to enhance the performance of your firearm by providing extra power and reliability. It is important to follow all safety instructions to ensure safe and effective use. This guide outlines essential safety guidelines, precautions, and instructions for installation and usage.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition separately and securely.
- Regularly inspect your firearm and its components for wear and damage.
- Use only compatible parts and accessories designed for your specific firearm model.
- Ensure that you are familiar with your firearm's operation and safety features.
- Do not modify or alter your firearm or its components without professional guidance.
- Always wear appropriate eye and ear protection when using firearms.

Specific Safety Precautions for Use

- This spring is designed for use with Remington 870 and 1100 models only. Do not use it with other firearm models.
- Ensure that the firearm is unloaded before beginning any maintenance or installation work.
- Handle the spring with care to avoid injury from its tension.
- Keep the spring away from children and unauthorized users.
- If you experience any issues during installation or usage, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, including a screwdriver and any other required equipment.

2. Installation:

- Remove the existing firing pin spring from the firearm according to the manufacturer's instructions.
- Carefully install the REMINGTON 870/1100 XP FIRING PIN SPRING in the designated area. Ensure it is seated properly.
- Doublecheck that all components are secure and properly aligned.

3. Testing:

- After installation, conduct a function test in a safe environment to ensure proper operation.
- Monitor the firearm's performance and ensure that it operates without any issues.

4. Usage:

- Always follow safe handling practices while using your firearm.
- Regularly inspect the firing pin spring for signs of wear or damage, and replace it if necessary.

Disposal Instructions

- Dispose of any old springs and parts in accordance with local regulations.
- Do not dispose of any firearm components in regular household waste.
- Contact local authorities or waste disposal facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the REMINGTON 870/1100 XP FIRING PIN SPRING, please contact the manufacturer or a qualified firearms professional. It is important to ensure that you have the correct information and support for safe usage.

Please remember to report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform. Your safety and the safety of others is paramount. Thank you for your attention to these important guidelines.
