Safety Instruction Guide for RAND BIOSYNTHETIC CLP 2OZ BOTTLE

Introduction

Thank you for choosing RAND BIOSYNTHETIC CLP. This product is designed to provide superior lubrication and protection for various applications. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always read the label and follow the instructions before use.
- Store the product in a cool, dry place away from direct sunlight.
- Do not mix with other chemicals unless specified by the manufacturer.
- In case of an emergency, follow local regulations for hazardous materials.

Specific Safety Precautions for Use

- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- Use in wellventilated areas to prevent inhalation of vapors.
- Do not ingest. If swallowed, seek medical attention immediately.
- Do not expose to open flames or high temperatures, as this product has a high flashpoint of 607°F.
- Dispose of any unused product according to local waste disposal regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface to be treated is clean and dry.
- Shake the bottle well before use to ensure proper mixing of ingredients.

2. Application:

- Apply a small amount of RAND BIOSYNTHETIC CLP to the desired area.
- Use a clean cloth or applicator to spread evenly over the surface.
- Allow the product to penetrate for optimal results.

3. PostApplication:

- Wipe off any excess product with a clean cloth.
- Ensure that the area is free from any product residues before use.

4. Storage:

- After use, securely close the bottle and store it upright.
- Keep the product away from children and pets.

Disposal Instructions

- Dispose of the product and its container in accordance with local regulations.
- Do not pour the product down drains or toilets.

- Check for any specific disposal instructions on the product label.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the official contact points provided by the manufacturer.

By following these safety instructions, you can ensure a safe and effective experience with RAND BIOSYNTHETIC CLP. Thank you for your attention to safety.
