

# AK-47 MOE-K2 GRIPS - MAGPUL MOE AK-K2 GRIP POLYMER FOR AK47/74 BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The MOE-K2 AK Grip is a drop-in upgrade for AK47/AK74 pistol grips that offers a more vertical grip angle, but in a full-size grip design. The steeper vertical grip angle improves comfort and control on these shorter LOP rifles that bring the primary hand in closer to the shooter's body. With an aggressive TSP texture for positive weapon control, compatibility with optional Storage Cores for gear stowage, and a unique backstrap design for proper trigger finger placement, the K2 brings modern styling and ergonomics to the AK platform. Made in U.S.A. FEATURES Drop-in upgrade for AK47/AK74 pistol grips Fits both milled and stamped receivers, including those with grip reinforcement plates More vertical grip angle than typical Kalashnikov designs Unique backstrap shape for proper trigger finger placement Aggressive TSP texture (Trapezoidal Surface Projections) for positive weapon control in all environments Includes a basic grip cap, but accepts optional Storage Cores for customized gear stowage

# Safety Instruction Guide for AK47 MOEK2 Grip

## Introduction

Thank you for choosing the AK47 MOEK2 Grip by MAGPUL. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new grip. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is suitable for your firearm model (AK47/AK74).
- Always handle firearms with care and follow all local laws and regulations.
- Inspect the grip for any damage or defects before installation.
- Keep the grip and all firearm accessories out of reach of children and unauthorized users.
- If you experience any issues with the grip, do not use it until it has been inspected by a qualified gunsmith.

## Specific Safety Precautions for Use

- Do not use the grip if it shows signs of wear or damage.
- Avoid using the grip in extreme temperatures or harsh environments that could affect its integrity.
- Ensure that the grip is securely attached to the firearm before use.
- Do not modify the grip in any way, as this could compromise safety and performance.
- Always ensure the firearm is unloaded before installing or removing the grip.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools (if required) for installation.

### 2. Installation:

- Remove the existing grip from the firearm.
- Align the MOEK2 Grip with the grip mounting area on the firearm.
- Securely attach the grip using the provided screws, ensuring it is firmly in place.

### 3. Usage:

- Hold the firearm with the grip ensuring a comfortable and secure hold.
- Practice safe handling techniques at all times during use.

## Disposal Instructions

- Dispose of the grip in accordance with local regulations.
- Do not dispose of the grip in regular household waste if it is damaged or defective.
- Consider recycling options for polymer materials if available in your area.

## Contact Information for Further Support

For any inquiries or concerns regarding the AK47 MOEK2 Grip, please refer to the manufacturer's contact information provided with your product packaging or on the official website.

## Conclusion

Following these safety instructions will help ensure a safe and effective experience with your AK47 MOEK2 Grip. Always prioritize safety and compliance with local laws when handling firearms. Thank you for your attention to these guidelines.
