

# AK-47 MOE-K2 GRIPS - MAGPUL MOE AK-K2 GRIP POLYMER FOR AK47/74 FDE

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The MOE-K2 AK Grip is a drop-in upgrade for AK47/AK74 pistol grips that offers a more vertical grip angle, but in a full-size grip design. The steeper vertical grip angle improves comfort and control on these shorter LOP rifles that bring the primary hand in closer to the shooter's body. With an aggressive TSP texture for positive weapon control, compatibility with optional Storage Cores for gear stowage, and a unique backstrap design for proper trigger finger placement, the K2 brings modern styling and ergonomics to the AK platform. Made in U.S.A. FEATURES Drop-in upgrade for AK47/AK74 pistol grips Fits both milled and stamped receivers, including those with grip reinforcement plates More vertical grip angle than typical Kalashnikov designs Unique backstrap shape for proper trigger finger placement Aggressive TSP texture (Trapezoidal Surface Projections) for positive weapon control in all environments Includes a basic grip cap, but accepts optional Storage Cores for customized gear stowage

# AK47 MOEK2 Grip Safety Instruction Guide

## Introduction

Thank you for choosing the AK47 MOEK2 Grip by Magpul. This product is designed to enhance the ergonomics and usability of your AK47/AK74 rifle. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this instruction guide.

## General Safety Guidelines

- Ensure that the grip is installed correctly before use.
- Always treat your firearm with respect and follow all standard firearm safety rules.
- Check for any visible damage to the grip before installation. If damaged, do not use the grip.
- Keep the grip out of reach of children and unauthorized users.
- Use the grip only for its intended purpose as specified in the product description.
- Regularly inspect the grip for wear and tear, especially if used frequently.
- Report any unsafe product experiences to the relevant authorities.

## Specific Safety Precautions for Use

- The grip is designed for adult users. Ensure that it is not used by individuals under the age of 18 without adult supervision.
- Do not modify the grip in any way. Modifications can compromise safety and performance.
- Always ensure that the firearm is unloaded before installing or removing the grip.
- Use caution when handling firearms, especially when making adjustments or modifications.
- Ensure that the grip is securely attached to the firearm before use to prevent accidents.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and safe to handle.
2. **Remove Old Grip:** If applicable, remove the existing grip by unscrewing it from the firearm.
3. **Align the Grip:** Position the MOEK2 Grip over the grip assembly of the AK47/AK74.
4. **Secure the Grip:** Use the provided screws to attach the grip securely. Ensure that it is fastened tightly but do not overtighten.
5. **Check Stability:** Once installed, check the grip for stability. It should not wobble or feel loose.
6. **Final Safety Check:** After installation, perform a safety check on the firearm to ensure everything is functioning correctly.

### Usage

- Hold the grip firmly with your primary hand while aiming and firing.
- Use the unique backstrap design for proper trigger finger placement to enhance control and accuracy.
- Familiarize yourself with the aggressive TSP texture, which provides additional grip in various conditions.

## Disposal Instructions

- Dispose of the grip in accordance with local regulations for plastic products.
- If the grip is damaged beyond repair, ensure it is disposed of in a way that prevents it from being used again.
- Recycle if possible, following the guidelines for polymer disposal in your area.

## Contact Information for Further Support

For any questions regarding safety, installation, or usage of the AK47 MOEK2 Grip, please consult the manufacturer's website or contact their customer support service.

Thank you for prioritizing safety while using the AK47 MOEK2 Grip. By following these guidelines, you can ensure a safe and enjoyable experience with your firearm.
