The following products are trademarks of Magpul Industries Corporation, registered in the U.S. and other countries: Magpul. Similar to the MOE-K2, the MOE SL AK Grip (MOE Slim Line) is a drop-in upgrade for AK47/AK74 pistol grips with a more vertical grip angle optimized for these shorter LOP weapons that bring the primary hand in closer to the shooter's body. With an aggressive TSP texture for positive weapon control along with excellent ergonomics, the MOE SL AK Grip provides a slightly smaller size and slimline feel compared to our full size grips. Made in U.S.A. FEATURES Drop-in upgrade for AK47/AK74 pistol grips Fits both milled and stamped receivers, including those with grip reinforcement plates More vertical grip angle than typical Kalashnikov designs Slimmer thickness than our other grips for a slightly smaller feel Aggressive TSP texture (Trapezoidal Surface Projections) for positive weapon control in all environments

# Safety Instruction Guide for AK47 MOESL Grips

## Introduction

Thank you for choosing the AK47 MOESL Grip by Magpul Industries. This guide provides essential safety information and instructions to ensure the safe use and installation of your new grip. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (AK47/AK74).
- Always handle firearms with care and follow all safety protocols.
- Inspect the grip for any damage before installation and use.
- Do not use the grip if it shows signs of wear or damage.
- Keep the grip and all firearm accessories out of reach of children.
- Report any unsafe products or incidents to local authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the grip.
- Use the grip only as intended and avoid modifications that could compromise safety.
- Maintain a proper grip and stance while using your firearm to ensure control.
- Be aware of your surroundings and ensure a safe shooting environment.
- Wear appropriate protective gear, including eye and ear protection, when using your firearm.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools (if required) for installation.

#### 2. Removing the Old Grip:

- Locate the screw or fastener securing the existing grip.
- Carefully remove the screw using the appropriate tool.
- Gently pull the old grip away from the receiver.

#### 3. Installing the New Grip:

- Align the AK47 MOESL Grip with the receiver.
- Ensure the grip is positioned correctly and fits snugly.
- Secure the grip in place by tightening the screw or fastener.

#### 4. Final Check:

- Confirm that the grip is securely attached and does not move.
- Perform a function check on the firearm to ensure proper operation.

### Usage Instructions

- Hold the grip firmly while aiming and firing.

- Adjust your grip as necessary for comfort and control.
- Maintain awareness of your shooting environment and follow all safety practices.

## **Disposal Instructions**

- Dispose of the grip according to local regulations for plastic materials.
- Do not incinerate or dispose of the grip in regular household waste.
- If the grip is damaged, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the AK47 MOESL Grip, please reach out to your local retailer or consult the manufacturer's website for additional resources.

By following these safety instructions, you can enhance your shooting experience while ensuring safety for yourself and others. Thank you for prioritizing safety and responsible firearm use.
