

AR-15 FORWARD ASSIST RED - STRIKE INDUSTRIES AR-15 FORWARD ASSIST RED

[Rifle Parts](#) > [Receiver Parts](#) > [Forward Assist Parts](#)

The New Strike forward assist is the latest addition to the Strike Industries line of performance AR parts. The Forward Assist Plunger is made of lightweight aluminum for those looking to retain the functionality of a forward assist, while seeking weight savings wherever they can. The forward assist pawl is constructed of tool steel to ensure positive engagement of the forward assist ratchets on compatible bolt carriers and maintain long service life.

Safety Instruction Guide for the AR15 Forward Assist Red by Strike Industries

Introduction

Thank you for choosing the AR15 Forward Assist Red from Strike Industries. This product is designed to enhance the performance of your AR15 while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure proper usage and maintenance of the product.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the forward assist.
- Use the forward assist only with compatible bolt carriers.
- Regularly inspect the forward assist for wear and damage.
- Keep the product away from children and unauthorized users.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not modify the forward assist in any way that could compromise its integrity or functionality.
- Ensure that the forward assist is properly installed before using your firearm.
- Be aware of the potential hazards associated with firearms, including accidental discharge and misfires.
- Always wear appropriate eye and ear protection when using your firearm.
- Avoid using the forward assist in wet or muddy conditions, as debris can interfere with its operation.

Instructions for Installation and Usage

Installation

1. Ensure that the firearm is completely unloaded.
2. Remove the existing forward assist, if applicable, by following the manufacturer's instructions.
3. Insert the new Strike Industries forward assist into the designated slot on the upper receiver.
4. Ensure that the forward assist is seated correctly and securely.
5. Test the forward assist by pressing it to ensure it engages properly.

Usage

- Use the forward assist to ensure that the bolt is fully seated in the chamber.
- Apply gentle pressure to the forward assist when needed to avoid excessive force that could damage the mechanism.
- Regularly clean and lubricate the forward assist to maintain optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the forward assist in regular household waste.
- If the product is damaged or no longer usable, contact a local waste management facility for proper disposal options.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Forward Assist Red, please refer to the manufacturer's

website or contact their customer support for assistance.
