ACTION WRENCH DEFIANCE MACHINE Safety Instruction Guide

Introduction

Thank you for choosing the ACTION WRENCH DEFIANCE MACHINE. This premium action wrench is designed for safe and efficient use in working with firearms. To ensure your safety and the proper functioning of the product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the action wrench in a welllit and clutterfree environment.
- Ensure that the wrench is in good working condition before each use.
- Keep the action wrench out of reach of children and pets.
- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, while using the wrench.
- Do not use the wrench for any purpose other than its intended use.
- Always follow the manufacturer's recommendations for use and maintenance.

Specific Safety Precautions for Use

- Identify potential hazards:
 - Risk of injury from improper handling or misuse of the wrench.
 - Risk of damage to the firearm if the wrench is not used correctly.
- To avoid these hazards:
 - Ensure the wrench is securely attached to the bolt before applying torque.
 - Do not exceed the recommended torque settings for your specific firearm model.
 - Use the wrench on a stable surface to prevent slipping.
- Agespecific warnings:
 - This product is intended for use by adults only. Keep it away from children.

Instructions for Installation and Usage

- Before using the ACTION WRENCH DEFIANCE MACHINE:
 - Verify that you have the correct size for your firearm's bolt diameter (.700" or .750").
 - Ensure that the wrench is clean and free from debris.
- To install the wrench:
 1. Align the wrench with the bolt head of the firearm.
 2. Securely attach the wrench to the bolt.
 3. Use a 13/16" hex driver to connect the wrench to a torque wrench.
- To use the wrench:
 1. Apply steady pressure to the wrench while turning.
 2. Monitor the torque applied to ensure it does not exceed the firearm's specifications.
 3. Release the pressure once the desired torque is reached.
- After use:
 - Clean the wrench to remove any residue or debris.
 - Store the wrench in a safe place, away from children and pets.

Disposal Instructions

- When the ACTION WRENCH DEFIANCE MACHINE has reached the end of its life or is no longer usable:
 - Dispose of the product in accordance with local regulations.
 - Do not dispose of the wrench in regular household waste.

- Consider recycling the materials if possible.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the ACTION WRENCH DEFIANCE MACHINE, please contact the manufacturer directly. An EUbased contact point is available for your convenience.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the ACTION WRENCH DEFIANCE MACHINE. Always prioritize safety and compliance with the EU General Product Safety Regulation. Thank you for your attention to these guidelines, and happy wrenching!
