

AR-15 UHPR MOD1 M-LOK HANDGUARDS - CROSS MACHINE TOOL CO. AR-15 UPHR 15.0 MOD1 M-LOK HANDGUARD

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Cross Machine Tool UHPR MOD1 line of handguards are made from 6000 series extruded aluminum and finished with a MilSpec Type 3 Class 2 Hard Black anodize. A proprietary 7075 anodized aluminum barrel nut requires no shims for installation. M-LOK mounting slots are placed at the 3, 6, & 9 o'clock positions, and 4 anti-rotation QD sockets provided sling placement on either side, forward or rear, of the handguard. The handguard is compatible with most known low profile gas blocks. Includes barrel nut wrench.

Safety Instruction Guide for AR15 UHPR MOD1 MLOK Handguards

Introduction

Thank you for choosing the AR15 UHPR MOD1 MLOK Handguards by Cross Machine Tool Co. This guide provides essential safety instructions to ensure the safe use and installation of the handguards. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that the handguard is compatible with your AR15 model before installation.
- Inspect the handguard and all components for any signs of damage before use.
- Always follow local laws and regulations regarding firearm modifications.
- Keep the handguard and all associated tools out of reach of children.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the handguard only for its intended purpose as specified in this guide.
- Avoid using the handguard if it shows any signs of wear or damage.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Do not exceed the recommended torque specifications when installing the handguard.
- Ensure that the handguard is securely attached before using your firearm.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including the barrel nut wrench provided.
- Ensure you have a clean, welllit workspace.

2. Installation Steps

- Remove the existing handguard from your AR15, if applicable.
- Install the proprietary 7075 anodized aluminum barrel nut onto the barrel, ensuring it is properly aligned.
- Tighten the barrel nut using the provided wrench. No shims are required.
- Align the MLOK handguard with the barrel nut, ensuring the mounting slots are at the 3, 6, and 9 o'clock positions.
- Secure the handguard using the appropriate screws, ensuring they are tightened to the manufacturer's specifications.
- Attach any accessories using the MLOK slots as needed.

3. Usage Guidelines

- After installation, doublecheck that the handguard is securely mounted before each use.
- Regularly inspect the handguard and all attachments for any wear or damage.
- Use the antirotation QD sockets for sling placement as needed.

Disposal Instructions

- Dispose of the handguard and any associated components in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options or designated disposal facilities.

Contact Information for Further Support

For safety inquiries or support, please refer to the contact information provided by your retailer or manufacturer. Ensure you have your product details available for any assistance.

By following these safety instructions, you can ensure a safe and effective experience with your AR15 UHPR MOD1 MLOK Handguards. Thank you for your attention to safety.
