

AR-15 30RD PMAG GEN M2 MOE MAGAZINE 223/5.56 - MAGPUL PMAG AR/M4 G-M2 MOE 5.56/.223 30RD FOR AR15 BLK 100/PACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Dependable & Nearly Indestructible; Store Fully Loaded Without Loss Of Reliability

Exceptionally rugged, combat- and competition-ready magazine functions flawlessly, even when left fully loaded for extended periods. Corrosion-proof, self-lubricating one-piece body of fiber-reinforced, molded polymer has no spot welds or joints to impair the follower, and the constant internal curve ensures smooth, unobstructed movement of the round stack. Anti-tilt follower stabilizes the stack to help prevent nose-diving and bolt-over-head failures. Heat-treated, stainless steel spring is stress-relieved for optimal performance. Withstands the heat from prolonged full-auto fire and is not harmed by most bore cleaners and solvents. Exterior ribbing provides added gripping surface; magazine catch notch, rather than a traditional hole, keeps dirt and debris out. Easy-to-grasp ledge on floorplate aids in extracting magazine from pouches; floorplate removes easily for cleaning. All models available in Black. DO NOT COME WITH DUST COVERS.

Safety Instruction Guide for AR15 30RD PMAG GEN M2 MOE MAGAZINE

Introduction

Thank you for choosing the AR15 30RD PMAG GEN M2 MOE MAGAZINE. This guide provides essential safety information to ensure the safe use and handling of your magazine. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Always treat every magazine as if it is loaded.
- Store magazines in a secure location, away from children and unauthorized users.
- Inspect the magazine regularly for any signs of damage or wear.
- Do not use the magazine with ammunition it is not designed for.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- Ensure that the magazine is properly seated in the firearm before use.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Do not attempt to modify the magazine in any way.
- Use only the recommended ammunition type (5.56 mm NATO) for optimal performance.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks.

2. Usage

- Load the magazine with the appropriate ammunition.
- Ensure that the follower is in the correct position and not obstructed.
- When firing, maintain a firm grip on the firearm and be aware of recoil.
- If the magazine becomes jammed, cease fire and safely clear the weapon before attempting to resolve the issue.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it; instead, dispose of it properly.
- Recycle any plastic components where applicable, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AR15 30RD PMAG GEN M2 MOE MAGAZINE, please refer to your local distributor or retailer for assistance.

Stay safe and responsible while enjoying your product. Thank you for your attention to these important safety guidelines.
