## Super-Durable & Ultra-Dependable PMAG Refined & Battle-Hardened By Combat Experience

The next-generation PMAG AR/M4 GEN M3 is a 30-round polymer magazine for AR15/M4 compatible weapons chambered in 5.56x45 NATO / .223 Remington. Along with expanded feature set and compatibility, the GEN M3 incorporates new material technology and manufacturing processes for enhanced strength, durability, and reliability that exceed rigorous military performance specifications. While the GEN M3 is optimized for Colt-spec AR15/M4 platforms, modified internal and external geometry also permits operation with a range of additional weapons, such as the HK® 416/MR556A1/M27 IAR, British SA-80, FN® SCAR™ MK 16/16S, and others. Similar to the MOE® PMAG, the GEN M3 features a long-life USGI-spec stainless steel spring for commonality, a four-way anti-tilt follower, constant-curve internal geometry for reliable feeding, and simple tool-less disassembly for easy cleaning. The PMAG GEN M3 also includes a redesigned bolt catch notch in the rear of the magazine that provides increased bolt catch clearance, while an over-travel stop on the spine helps ensure the magazine will not over-insert on compatible weapons. Low profile ribs and new, aggressive front and rear texture give positive control of the GEN M3 in all environments, and a paint pen dot matrix has been added to the bottom panel of the body to allow easy marking for identification. The new, easy to disassemble flared floorplate aids extraction and handling of the magazine while providing improved drop protection, but is slightly slimmer than before for better compatibility with tight double and triple magazine pouches. FEATURES 30 or 40-round reliability with no stoppages Easy Identification - Use the paint pen dot matrix to easily identify your different loads when it's crunch time Advanced follower- The anti-tilt, self-lubricating follower ensures a smooth feed and magazine reliability Slimline floorplate - Improved flared floorplate aids magazine handling and disassembly and is slim enough for use with many double and triple pouches Next-generation impact and crush-resistant polymer construction that includes constant-curve internal geometry for smooth feeding Modified dimensions allow for wider compatibility with non Colt-spec 'STANAG 4179' platforms Constant-curve internal geometry, over-travel insertion stop on the spine, and a long-life stainless steel spring ensure smooth feeding Made in the USA. SPECS Caliber: 5.56x45mm / .223 Remington Platform: AR15, M4, M16, SA-80 Capacity: 30 or 40 Rounds depending on magazine Weight: 5 oz. Length, max: 7.5 in. Compatibility: Wide compatibility with most 'STANAG 4179' platforms such as the AR15, M4, M16, SCAR MK16/16S, HK416, MR556, M27 IAR, IWI Tavor, and others

## Attributes

- Name: [MAGPUL AR-15 PMAG GEN M3 MAGAZINE 223/5.56 30RD POLYMER BLACK 100PK](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100023145
- Mfr. No.:

- Action Type: -
- Capacity: 30-Round
- Cartridge: 5.56 mm NATO
- Finish: Black
- Make: AR-15
- Material: Polymer
- Quantity: 100
- Delivery weight: 17.305kg

## **Item details**

Made in USA

US export classification: 0A501.d

# PMAG AR/M4 GEN M3 Safety Instruction Guide

## Introduction

Thank you for purchasing the PMAG AR/M4 GEN M3 5.56x45 NATO Rifle Magazine. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide thoroughly before using the magazine.

## General Safety Guidelines

- **Product Safety:** Always ensure that the magazine is used in accordance with the manufacturer's instructions. This product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements. Check for product safety information on the seller's website.
- **Special Consumer Focus:** Extra caution should be taken if the product is used around children. Ensure that children do not have access to the magazine when not in use.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- Always inspect the magazine before use to ensure it is free from damage and defects.
- Do not use the magazine with ammunition that is not compatible (i.e., only use 5.56mm/.223 ammunition).
- Ensure that the magazine is properly seated in the firearm before use.
- Avoid overinserting the magazine into the firearm. The PMAG GEN M3 includes an overtravel stop to help prevent this.
- Keep the magazine away from extreme temperatures and moisture to maintain its integrity.
- Do not attempt to modify or disassemble the magazine beyond the manufacturer's instructions.
- Store the magazine in a secure place, away from children and unauthorized users.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Align the magazine with the magazine well of the firearm.
3. Push the magazine firmly until it clicks into place. Ensure that it is securely locked.

- **Usage:**

1. Load the magazine with compatible ammunition (5.56mm/.223 only).
2. Insert the magazine into the firearm as described in the installation instructions.
3. To remove the magazine, press the magazine release button and pull the magazine out of the firearm.

- **Cleaning:**

1. Disassemble the magazine using the toolless disassembly feature for easy cleaning.
2. Clean the magazine body and follower with a soft cloth. Avoid harsh chemicals that may damage the polymer.

3. Allow the magazine to dry completely before reassembling.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations regarding the disposal of polymer materials.
- If the magazine is damaged or no longer usable, do not attempt to repair it. Dispose of it responsibly to prevent any potential hazards.

## **Contact Information for Further Support**

For any further support or inquiries regarding the PMAG AR/M4 GEN M3, please refer to the contact information provided with your product or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure the safe and effective use of your PMAG AR/M4 GEN M3 Rifle Magazine. Always prioritize safety and stay informed about best practices for handling and maintenance.
