

# 1911 FUSION FIBER OPTIC ADJUSTABLE DOVETAIL SIGHT SET - FUSION FIREARMS 1911 FUSION FIBER OPTIC ADJUSTABLE DOVETAIL SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Fusion Firearms / LPA Fully adjustable Dovetail style sight set in Fiber Optic configuration. This rear sight is designed in the "low profile" configuration for easy holstering and **makes for a great Target, Combat, or Concealment Sight**. It is a great replacement sight, allowing you to fine tune the "Point of Impact" (POI) to your liking. They are manufactured with precision machined components for fine and positive click adjustments and are fully adjustable for windage and elevation. The dovetail rear sight bases have locking screws which allow for secure retention in the slide dovetail. The rear sight dovetail is the standard .495 x 65 degree and the front dovetail is the standard .330 x 65 degree cuts. These sights are available in Black, White Dot, and Fiber Optic configurations. These are a direct replacement sights for the popular novak sight cuts used on most modern 1911 style pistols and many others. Comes complete with flat front and rear sight, ready to install.

# Safety Instruction Guide for 1911 Fusion Fiber Optic Adjustable Dovetail Sight Set

## Introduction

Thank you for choosing the 1911 Fusion Fiber Optic Adjustable Dovetail Sight Set. This product is designed to enhance your shooting experience by providing precision adjustments for windage and elevation. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care and respect.
- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Use appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearm use and modifications.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the rear sight and front sight are securely mounted before use.
- Avoid using the sight in adverse weather conditions that may affect visibility.
- Do not attempt to adjust the sight while the firearm is loaded.
- Be aware of your surroundings and ensure that your shooting area is safe.
- If you experience any difficulties with the sight, do not use it until the issue is resolved.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare the Firearm:

- Ensure that the firearm is completely unloaded.
- Remove any existing sights if applicable.

#### 2. Mounting the Rear Sight:

- Align the dovetail rear sight base with the slide dovetail.
- Use the locking screws to secure the rear sight in place.
- Ensure the rear sight is positioned correctly for optimal alignment.

#### 3. Mounting the Front Sight:

- Align the front sight dovetail with the slide.
- Secure the front sight using the appropriate screws.
- Confirm that the front sight is properly aligned with the rear sight.

#### 4. Adjustment:

- Use the precision machined components to make fine adjustments for windage and elevation.
- Test the adjustments at the range to ensure accuracy.

## **Usage**

- Once installed, familiarize yourself with the sighting system.
- Practice shooting at a safe range to gain confidence in using the new sight set.
- Regularly check the sight for stability and alignment before each use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the sight in regular household waste.
- Consider recycling options for metal components if applicable.

## **Contact Information for Further Support**
