V2 Slide Plate for GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the V2 Slide Plate for GLOCK® by Strike Industries. This product is designed to enhance both the aesthetic and functionality of your GLOCK pistol. To ensure safe usage and maintenance, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the firearm is unloaded and pointed in a safe direction before installation or removal of the slide plate.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the slide plate for signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the firearm is completely unloaded before beginning installation.
- Do not force the slide plate into place; it should fit snugly without excessive pressure.

• During Use:

- Regularly check that the slide plate is securely attached before using the firearm.
- Avoid using the firearm in conditions that may lead to moisture or debris accumulation in the slide area.

• Maintenance:

- Follow the toolless disassembly instructions provided to avoid damaging the firing pin or extractor.
- Use only recommended cleaning solutions and tools to maintain the slide plate.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the factory slide plate by pressing the existing plate with a suitable tool.
- Align the V2 Slide Plate with the mounting area.
- Press the slide plate firmly until it clicks into place.
- Verify that the slide plate is securely attached by gently tugging on it.

2. Usage:

- To disassemble the firing pin and extractor, press the pushbutton on the slide cover plate.
- Follow your firearm's manual for any additional disassembly instructions.
- Always reassemble the firearm according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not throw away in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the manufacturer directly through their official channels. Always ensure you have the product details on hand for a more efficient response.

By following these safety instructions, you can ensure a safer experience while using the V2 Slide Plate for GLOCK®. Thank you for choosing our product, and stay safe!
