Safety Instruction Guide for AR15 Battle Bar

Introduction

Thank you for choosing the AR15 Battle Bar from Smith Tactics. This product is designed to enhance the functionality of your milspec AR15 platform. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the product is installed and used according to the instructions provided.
- Always treat firearms with respect and operate them safely.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Do not use the product if it appears to be damaged or malfunctioning.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the Battle Bar on milspec AR platforms.
- Ensure that the firearm is unloaded before installation or maintenance.
- Do not attempt to modify the Battle Bar or use it with incompatible parts.
- Be cautious of sharp edges during installation.
- Use the provided installation wrench to avoid damaging the screws.
- Avoid using excessive force during installation to prevent stripping screws.
- Always check that the Battle Bar is securely installed before use.
- Do not use the product while wearing loose clothing that may interfere with operation.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and safe to work on.
- Gather the necessary tools, including the installation wrench provided with the Battle Bar.

2. Installation Steps

- Remove the existing bolt catch/release from your AR15.
- Align the Battle Bar with the bolt catch/release area.
- Insert the provided screws through the Battle Bar and into the mounting holes.
- Use the installation wrench to tighten the screws securely.
- Ensure that the antirotation pins are properly installed to prevent movement.
- Confirm that the Battle Bar does not interfere with the 3position safety.

3. Usage

- The Battle Bar allows for onehanded operation. Practice using it in a safe environment to become familiar with its function.
- Regularly check the installation to ensure it remains secure and functional.

Disposal Instructions

- Dispose of the product according to local regulations regarding aluminum and other materials.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible.

Contact Information for Further Support

For any safety inquiries or issues related to the AR15 Battle Bar, please contact the appropriate EUbased support channels.

Thank you for following these safety guidelines. Enjoy the enhanced functionality of your AR15 with the Battle Bar from Smith Tactics. Stay safe!
