At a glance: Taller, wider magazine release button - great for juniors or shooters with smaller hands Unique paddle design is positionable by the user for a custom fit Textured button offers no-slip grip in any condition; available in black or silver The SW22® Victory™ is a popular rimfire pistol for Rimfire Challenge, Steel Challenge and other shooting sports competitions, and is great for beginner and junior shooters. But for young shooters, or other shooters with smaller hands, reaching the magazine release button while shooting can be a challenge. Even shooters with larger hands often struggle to easily and consistently release the magazine when adding thicker SW22® grips to their Smith & Wesson Victory™ pistol. The TANDEMKROSS "Titan" Extended Magazine Release for SW22® Victory™ is a simple, drop-in replacement for the factory magazine release that offers significantly more surface area and height to make magazine changes easy - ideal for competition shooters! The extended magazine release features a unique, paddle button to extend the magazine release not only out and away from the gun, but also back toward the shooter. The paddle is textured for a no-slip grip in any condition, and can be positioned by the user for a customized grip. The magazine release button is available in black or silver for further customization. Stop fumbling for your magazine release & make faster, more consistent magazine changes with the TANDEMKROSS "Titan" Extended Magazine Release for SW22® Victory™.

Safety Instruction Guide for TANDEMKROSS "Titan" Extended Magazine Release for SW22 Victory

Introduction

Thank you for choosing the TANDEMKROSS "Titan" Extended Magazine Release for your SW22 Victory pistol. This product is designed to enhance your shooting experience by providing a taller and wider magazine release button, making it easier for shooters of all hand sizes to operate. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you read and understand the user manual of your SW22 Victory pistol before installing the magazine release.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your magazine release for any signs of wear or damage.
- If you notice any issues, discontinue use and contact a qualified gunsmith for inspection.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is designed for use by individuals who are at least 18 years old. Ensure that younger users are supervised by a responsible adult.
- **Grip and Handling:** Use the magazine release only when your finger is off the trigger and your firearm is pointed in a safe direction.
- **Environmental Conditions:** Avoid using the product in wet or slippery conditions where a noslip grip may be compromised.
- **Customization:** Do not alter the magazine release beyond the intended adjustments as specified in the installation instructions.

Instructions for Installation and Usage

Installation Instructions

1. **Safety First:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove the Factory Magazine Release:**
 - Use a suitable tool to remove the factory magazine release from your SW22 Victory.
3. **Install the TANDEMKROSS "Titan" Extended Magazine Release:**
 - Align the new magazine release with the designated slot on the pistol.
 - Firmly press the magazine release into place until it clicks securely.
4. **Position the Paddle:**
 - Adjust the paddle button to your preferred position for a customized grip.
5. **Test the Installation:**
 - Ensure the magazine release functions properly by pressing it several times to confirm it engages and disengages the magazine smoothly.

Usage Instructions

- To release the magazine, simply press the paddle button with your thumb or finger.
- Practice using the magazine release in a safe environment to become familiar with its operation.
- If you encounter resistance or difficulty in operation, stop using the product and consult a qualified

gunsmith.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of the product in household waste. Check with local authorities for proper disposal methods.
