

AR-15 URX 4 M-LOK HANDGUARDS - KNIGHTS ARMAMENT URX 4 M-LOK HANDGUARD 13"

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The KAC URX 4 Rail is a fully modular design that utilizes the M-LOK accessory mounting system. The URX 4 Rail is stronger and more stable than previous URX designs due to its one piece construction. It is also lighter due to its Integral Barrel Nut (IBN) system of attachment. The IBN system allows the rail itself to act as the barrel nut when torqued onto the rifle, completely eliminating the need for a separate steel barrel nut. M-LOK accessories may be mounted anywhere along the URX 4's length, making it one of the most user configurable designs on the market. Each URX 4 Rail comes complete with an installation wrench, shim kit and instructions.

Attributes

- Name: [KNIGHTS ARMAMENT URX 4 M-LOK HANDGUARD 13"](#)
- Manufacturer: [KNIGHTS ARMAMENT](#)
- Product no.: 100023373
- Mfr. No.: 32304-1300

Safety Instruction Guide for AR15 URX 4 MLOK Handguards

Introduction

Thank you for purchasing the AR15 URX 4 MLOK Handguards by Knights Armament. This guide provides essential safety instructions and precautions to ensure safe and effective use of your handguards. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the handguards are installed correctly to prevent any accidents during use.
- Always handle firearms and accessories with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the handguards for any signs of damage or wear.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications when installing the handguards.
- Ensure that all MLOK accessories are securely fastened to avoid accidental detachment.
- Avoid using the handguards in extreme conditions that may compromise their integrity.
- Be aware of the potential for heat transfer from the barrel to the handguards during use; take precautions to avoid burns.
- Always wear appropriate personal protective equipment (PPE) when handling firearms.

Instructions for Installation and Usage

1. Installation Preparation

- Gather all necessary tools: installation wrench, shim kit, and any MLOK accessories you plan to install.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installing the Handguards

- Remove any existing handguards from the firearm.
- Align the Integral Barrel Nut (IBN) with the barrel of the firearm.
- Torque the handguards onto the rifle according to the manufacturer's specifications.
- Use the installation wrench provided to ensure a secure fit.

3. Mounting MLOK Accessories

- Identify the desired location on the handguard for mounting accessories.
- Insert the MLOK accessory into the slot and use the provided hardware to secure it in place.
- Ensure that all accessories are tightened securely before use.

4. PostInstallation Check

- Inspect the installation to confirm that the handguards are secure and all accessories are properly mounted.
- Conduct a function check of the firearm to ensure proper operation.

Disposal Instructions

- Dispose of the handguards in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the AR15 URX 4 MLOK Handguards, please refer to the manufacturer's contact resources or consult your local dealer.

By following these guidelines, you can ensure the safe and effective use of your AR15 URX 4 MLOK Handguards. Thank you for your attention to safety and compliance with these instructions.
