

AR-15 URX 4 M-LOK HANDGUARDS - KNIGHTS ARMAMENT URX 4 M-LOK HANDGUARD 14.5"

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The KAC URX 4 Rail is a fully modular design that utilizes the M-LOK accessory mounting system. The URX 4 Rail is stronger and more stable than previous URX designs due to its one piece construction. It is also lighter due to its Integral Barrel Nut (IBN) system of attachment. The IBN system allows the rail itself to act as the barrel nut when torqued onto the rifle, completely eliminating the need for a separate steel barrel nut. M-LOK accessories may be mounted anywhere along the URX 4's length, making it one of the most user configurable designs on the market. Each URX 4 Rail comes complete with an installation wrench, shim kit and instructions.

Attributes

- Name: [KNIGHTS ARMAMENT URX 4 M-LOK HANDGUARD 14.5"](#)
- Manufacturer: [KNIGHTS ARMAMENT](#)

Safety Instruction Guide for AR15 URX 4 MLOK Handguards

Introduction

Thank you for choosing the AR15 URX 4 MLOK Handguards by Knights Armament. This guide provides essential safety instructions and usage recommendations to ensure a safe and effective experience with your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the AR15 URX 4 MLOK Handguards are installed by a qualified individual or gunsmith.
- Always handle firearms and accessories with care and follow all safety protocols.
- Inspect the handguards for any damage before installation. Do not use if damaged.
- Keep the handguards and firearm out of reach of children and unauthorized users.
- Use only compatible MLOK accessories with the handguards.
- Follow all local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended torque specifications during installation.
- Ensure that all mounting points are secure before using the firearm.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Regularly check the handguards for wear and tear, especially after heavy use.
- Avoid exposing the handguards to extreme temperatures or harsh chemicals.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including the installation wrench and shim kit provided.
- Ensure your workspace is clean and free of distractions.

2. Installation

- Remove the existing handguard from your AR15, if applicable.
- Clean the barrel and surrounding area to ensure a proper fit.
- Align the Integral Barrel Nut (IBN) system with the barrel and torque it as per the manufacturer's specifications.
- Attach the URX 4 MLOK Handguards by sliding them over the IBN and securing them in place.
- Use the installation wrench to tighten the handguards to the specified torque.
- Check that the handguards are securely mounted and do not move.

3. Usage

- Once installed, you may begin mounting MLOK accessories at any point along the length of the handguards.
- Ensure that all accessories are securely attached before using the firearm.
- Regularly inspect the handguards and accessories for proper fit and security during use.

Disposal Instructions

- Dispose of the AR15 URX 4 MLOK Handguards in accordance with local regulations.
- Do not dispose of the handguards in regular household waste if they contain any hazardous materials.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact the appropriate local authorities or the manufacturer directly through their official channels.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 URX 4 MLOK Handguards. Always prioritize safety and responsible usage in all your firearm activities. Thank you for your attention and commitment to safety.
