

# AR-15 END PLATE SLING MOUNT - KNIGHTS ARMAMENT AR-15 END PLATE SLING MOUNT

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

This KAC Carbine Receiver End Plate integrates a QD Sling Swivel Socket into either side for ambidextrous use. The QD Sockets are Non-Rotational, meaning they will not allow an installed swivel to spin freely within the socket, but instead give it a limited range of movement. Comes with lock ring only (push-button sling swivel not included). Compatible with both SR-15/AR-15 and SR-25 platforms with a carbine type receiver extension.

## Attributes

- Name: [KNIGHTS ARMAMENT AR-15 END PLATE SLING MOUNT](#)
- Manufacturer: [KNIGHTS ARMAMENT](#)

# AR15 End Plate Sling Mount Safety Instructions

## Introduction

Thank you for choosing the AR15 End Plate Sling Mount by Knights Armament. This product is designed to enhance your firearm's functionality while ensuring a high level of safety during use. Please read this safety instruction guide carefully to ensure proper installation, usage, and maintenance of the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the sling mount.
- Follow all local laws and regulations regarding firearm accessories.
- Use the sling mount only with compatible firearm platforms (SR15/AR15 and SR25).
- Inspect the sling mount regularly for signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the QD Sling Swivel Socket is securely attached before use.
- Do not exceed the recommended weight limit for the sling mount.
- Avoid using the sling mount in extreme weather conditions that may affect its performance.
- Always use the sling mount as intended; do not modify or alter the product.
- If you experience any unusual movement or instability while using the sling mount, discontinue use immediately and inspect the product.

## Instructions for Installation and Usage

### Installation Steps

1. **Prepare the Firearm:** Ensure that the firearm is completely unloaded and in a safe condition.
2. **Identify the End Plate:** Locate the carbine receiver end plate on your firearm.
3. **Attach the Sling Mount:**
  - Align the sling mount with the end plate.
  - Secure the lock ring to fasten the sling mount in place.
4. **Check Stability:** Ensure that the sling mount is firmly attached and does not move when pulled.

### Usage Instructions

- **Using the QD Sling Swivel:**
  - Insert the QD Sling Swivel into the socket until you hear a click, indicating it is locked in place.
  - To remove, press the pushbutton on the swivel and pull it out gently.
- **Adjusting the Sling:** Adjust the sling to your preferred length for optimal comfort and accessibility.
- **Regular Checks:** Periodically check the attachment points to ensure they remain secure during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer functional, do not attempt to repair it.
- Recycle materials where applicable, following local guidelines for recycling firearm accessories.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's contact

information provided with your product packaging or visit the official website of Knights Armament.

Thank you for prioritizing safety while using the AR15 End Plate Sling Mount. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
