

AR-15 AMBIDEXTROUS CHARGING HANDLE - KNIGHTS ARMAMENT

AR-15 AMBIDEXTROUS CHARGING HANDLE

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The KAC 5.56mm Ambidextrous Charging Handle is another step forward in the effort to deliver the most ergonomic firearm accessories to the end user. Intermediate sized latch pads are easily accessible and permit manipulation of the charging handle with a pinch-grip, index finger hook, or knifehand from either side of the receiver, without over-protrusion posing a snag hazard. Innovative design will not cause the handle to lock-up even if one of the latches is damaged. Aluminum construction.

Safety Instruction Guide for AR15 Ambidextrous Charging Handle

Introduction

Thank you for choosing the KAC 5.56mm Ambidextrous Charging Handle. This product is designed to enhance the usability of your firearm while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand how to use, install, and dispose of the charging handle safely.

General Safety Guidelines

- Ensure that the charging handle is compatible with your firearm model before installation.
- Always treat your firearm as if it is loaded, even when it is not.
- Store the charging handle and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the charging handle only as intended. Do not modify or alter its design.
- Always use a pinch grip, index finger hook, or knifehand technique to manipulate the charging handle.
- Ensure that your hands are dry and free from any substances that may cause slipping.
- If you notice any irregularities in the operation of the charging handle, discontinue use immediately and seek assistance.
- Do not attempt to force the charging handle if it becomes stuck; instead, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle from your firearm according to the manufacturer's instructions.
- Align the KAC Ambidextrous Charging Handle with the receiver and insert it carefully.
- Ensure that the charging handle is seated properly and functioning smoothly before use.

2. Usage:

- To operate the charging handle, use one of the following techniques:
 - Pinch grip: Use your thumb and index finger to grip the latch pads.
 - Index finger hook: Hook your index finger around the latch pad for a secure grip.
 - Knifehand: Utilize the edge of your hand to pull back the charging handle.
- Always check the firearm's chamber and magazine before and after using the charging handle.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations for metal products.
- If the charging handle is damaged or no longer in use, do not throw it in regular waste. Instead, contact a local recycling center for proper disposal methods.

Contact Information for Further Support
