# PICATINNY VERTICAL GRIP SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Picatinny Vertical Grip from Knights Armament. This forward vertical grip is designed to enhance your control and stability while using firearms equipped with a MILSTD1913 rail. This guide provides essential safety instructions to ensure the safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the grip is compatible with your firearm before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Do not use the grip if it appears damaged or compromised.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the grip.
- Use the grip only as intended and follow the manufacturer's instructions.
- Avoid using excessive force during installation to prevent damage.
- Do not modify the grip or use it in a manner not specified by the manufacturer.
- Be cautious of sharp edges during installation and handling.
- If you experience any issues with the grip, cease use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is completely unloaded.
- Locate the MILSTD1913 rail on your firearm.
- Align the grip with the rail, ensuring a snug fit.
- Secure the grip using the provided mounting hardware.
- Tighten the hardware carefully to avoid overtightening.

### 2. Usage:

- Maintain a firm grip on the vertical grip while aiming and firing.
- Practice safe firearm handling techniques at all times.
- Regularly check the grip's stability and make adjustments if necessary.

## Disposal Instructions

- When disposing of the product, follow local regulations regarding firearm accessories.
- Ensure that the grip is disposed of in an environmentally friendly manner.
- If the product is damaged or no longer in use, consider recycling components where possible.
