# Safety Instruction Guide for AR15 RAPTOR Charging Handle

## Introduction

Thank you for choosing the AR15 RAPTOR Charging Handle by Radian Weapons. This ambidextrous charging handle is designed for safe and efficient operation. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

- Ensure that the charging handle is compatible with your AR15 model before installation.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the charging handle and all firearm components away from children and unauthorized users.
- Do not use the charging handle if it appears damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm use and safety.
- Regularly inspect the charging handle for wear or damage.
- Store your firearm and its components in a secure place to prevent unauthorized access.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling firearms.
- Ensure that the firearm is pointed in a safe direction when charging.
- Do not place your fingers inside the trigger guard until you are ready to fire.
- Be aware of your surroundings and ensure that you have a clear line of sight when using the firearm.
- If you experience any difficulty with the charging handle, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Confirm that your firearm is unloaded and pointed in a safe direction.
2. **Remove Old Charging Handle:** If replacing an existing handle, carefully remove it by pulling it out of the receiver.
3. **Insert New Charging Handle:** Align the new AR15 RAPTOR Charging Handle with the receiver and slide it into place until it is securely seated.
4. **Check Functionality:** Ensure that the charging handle operates smoothly and that it is properly installed.

### Usage

- To charge the weapon, use either the palm "blading" technique or the finger thumb charge method.
- For palm "blading": Place the palm of your hand on the charging handle and push it back quickly.
- For finger thumb charge: Use your thumb to pull back on the charging handle while maintaining a firm grip on the firearm.
- Practice these techniques in a safe environment to become familiar with their operation.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations regarding metal recycling.
- Do not dispose of the charging handle in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management facility for proper disposal.

disposal methods.
