# Safety Instruction Guide for the AR15 RAPTOR Charging Handle

## Introduction

Thank you for choosing the AR15 RAPTOR Charging Handle by Radian Weapons. This ambidextrous charging handle is designed for smooth and efficient operation. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure you are in a safe environment before handling the charging handle.
- Familiarize yourself with the operation of your AR15 and its components.
- Store the charging handle and firearm securely when not in use.
- Always wear appropriate eye and ear protection when operating firearms.
- Be aware of your surroundings and the potential risks involved in handling firearms.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or using the charging handle.
- Avoid placing your fingers inside the trigger guard until you are ready to fire.
- Do not modify the charging handle or any part of the firearm.
- Use the charging handle only as intended; do not use excessive force.
- Inspect the charging handle for any signs of wear or damage before each use.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle from the firearm following the manufacturer's instructions.
- Align the AR15 RAPTOR Charging Handle with the receiver.
- Insert the charging handle into the receiver, ensuring it is seated properly.
- Test the charging handle to make sure it operates smoothly.

### 2. Usage

- Grip the charging handle firmly with either hand.
- Pull the charging handle back to chamber a round smoothly and quickly.
- Release the charging handle to allow it to return to the forward position.
- Practice using the charging handle from both the strong side and support side for optimal familiarity.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of the charging handle in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.
