# Safety Instruction Guide for the AR15 RAPTORSD Charging Handle

## Introduction

Thank you for purchasing the AR15 RAPTORSD Charging Handle. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, maintain, and dispose of the product safely.

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or handling the charging handle.
- Use the charging handle only with compatible AR15/M16 pattern rifles.
- Follow all local laws and regulations concerning firearm use and safety.
- Keep the charging handle and all firearm components out of reach of children and unauthorized individuals.
- Inspect the charging handle for any damage or wear before each use. Do not use if damaged.
- Familiarize yourself with the operation of your firearm before attempting to use the charging handle.

## Specific Safety Precautions for Use

- Ensure that you are in a safe shooting environment, away from people and property.
- Always wear appropriate personal protective equipment (PPE), including eye and ear protection.
- When using the charging handle, maintain a firm grip and avoid placing your face directly in line with the ejection port.
- Do not attempt to modify or alter the charging handle in any way.
- If the charging handle becomes stuck or does not operate smoothly, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing charging handle from the upper receiver by pulling it straight out.
3. Align the RaptorSD Charging Handle with the receiver and insert it until it is fully seated.
4. Verify that the charging handle operates smoothly by pulling it back and releasing it.

### Usage

- To charge the weapon, use either the palm "blading" technique or the fingerthumb method, depending on your preference and shooting stance.
- Practice using the charging handle in a safe environment to become familiar with its operation.
- Always keep your finger off the trigger until you are ready to fire.

## Disposal Instructions

- When disposing of the charging handle, follow local regulations regarding the disposal of metal components.
- If the product is damaged beyond repair, consider recycling it at a facility that accepts aluminum materials.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please contact the manufacturer or your local firearms dealer. Ensure you have the product details on hand for a more efficient response.

## **Conclusion**

By following these safety instructions, you can ensure a safer shooting experience with your AR15 RAPTORSD Charging Handle. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
