AR15 Talon Safety Selector User Manual

Introduction

Thank you for choosing the AR15 Talon Safety Selector by Radian Weapons. This ambidextrous safety selector is designed for ease of use and enhanced functionality. It is essential to follow the safety guidelines provided in this manual to ensure safe operation and installation.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure that the safety selector is in the "Safe" position when not in use.
- Familiarize yourself with the safety selector's operation before use.
- Inspect the safety selector and its installation regularly for any signs of wear or damage.
- Store firearms in a secure place, out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that you are using the safety selector with compatible semiautomatic AR15 & AR10/SR25 pattern rifles.
- Do not force the selector lever. If it does not move smoothly, check for obstructions or misalignment.
- Avoid handling the firearm while the safety selector is being installed or adjusted.
- Keep fingers and other body parts clear of the trigger and action when operating the safety selector.
- Use protective eyewear when working on or near firearms.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and the chamber is clear.
2. **Remove the Existing Selector:** If replacing an existing safety selector, remove it by following the manufacturer's guidelines.
3. **Insert the Talon Selector:**
 - Rotate the shaft 180° to choose between the standard 90° or 45° short throw position.
 - Insert the selector into the lower receiver.
4. **Install Selector Levers:**
 - Align the precision machined dovetail interface with the retention stud.
 - Push the lever into place until it locks securely. No screws are required.
5. **Test Functionality:**
 - Move the safety selector to ensure it operates smoothly between "Safe" and "Fire" positions.
 - Confirm that the lever is securely locked in place.

Usage

- To engage the safety, move the selector to the "Safe" position.
- To disengage the safety, move the selector to the "Fire" position.
- Always check the functionality of the safety selector before using the firearm.

Disposal Instructions

- Dispose of the safety selector in accordance with local regulations.
- Do not dispose of in regular household waste if it is damaged or malfunctioning.
- Contact your local waste management authority for guidance on proper disposal methods.
