

M-LOK™ GI SLING SWIVEL - MAGPUL M-LOK GI SLING SWIVEL BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Fast, Easy Sling Mounting To Your M-LOK? Handguard

Magpul's M-LOK® GI Sling Swivel makes it easy to mount a wide variety of common tactical slings to any M-LOK handguard. It provides a traditional steel loop that accepts any 1-1/4" wide nylon-web sling. A solid aluminum base secured by cammed T-nuts and backed up by recoil/impact mitigation lugs means the M-LOK® GI Sling Swivel stays in place and won't shift under strenuous activity. Gives you plenty of options when choosing a sling Quickly attaches to all M-LOK compatible handguards and forends Loop accepts web slings up to 1-1/4" wide Low profile design takes up minimal handguard real estate Beveled edges resist snagging on sling or other gear The M-LOK® GI Sling Swivel gives you an outstanding combination of a traditional sling loop married to the latest in modular accessory mounting technology.

MLOK™ GI Sling Swivel Safety Instruction Guide

Introduction

Thank you for choosing the MLOK™ GI Sling Swivel by Magpul. This product is designed to enhance your tactical experience by providing a secure and reliable mounting solution for slings. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the MLOK™ GI Sling Swivel is installed correctly before use.
- Regularly inspect the sling swivel for signs of wear or damage.
- Use the product only as intended, following the manufacturer's specifications.
- Keep the sling swivel out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit of the sling swivel. Ensure that your sling and attached gear do not exceed the load capacity.
- Avoid using the sling swivel in conditions that may cause it to become damaged, such as exposure to extreme temperatures or corrosive substances.
- Ensure that the sling is properly threaded through the loop to prevent accidental release.
- Be cautious when transitioning between different shooting positions to avoid snagging on gear.
- Always ensure that the sling swivel is securely fastened to the handguard before each use.

Instructions for Installation and Usage

Installation Steps

1. **Identify the MLOK Handguard:** Ensure that your firearm is equipped with an MLOK handguard.
2. **Position the Sling Swivel:** Align the MLOK™ GI Sling Swivel with the desired mounting point on the handguard.
3. **Secure the Base:** Insert the cammed Tnuts into the MLOK slots and tighten them securely. Ensure that the aluminum base is firmly in place and does not shift.
4. **Attach the Sling:** Thread your 1 1/4" wide nylonweb sling through the steel loop. Ensure that it is securely fastened.

Usage Instructions

- To attach or detach the sling, simply slide it through the loop and adjust to your desired length.
- Regularly check the attachment points for any signs of wear or looseness.
- Avoid using the sling swivel in a manner that could cause it to become a projectile or detach unexpectedly.

Disposal Instructions

- Dispose of the MLOK™ GI Sling Swivel in accordance with local regulations.
- If the product is damaged or no longer usable, ensure that it is disposed of safely to prevent any risk of injury.

Contact Information for Further Support

For any questions or concerns regarding the MLOK™ GI Sling Swivel, please refer to the manufacturer's website

or customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective use of your MLOK™ GI Sling Swivel. Thank you for your attention to safety and responsible usage.
