

# UNIVERSAL RELOADING TRAY - MTM CASE-GARD UNIVERSAL RELOADING TRAY 50 ROUND RED

[Reloading](#) > [Case Preparation](#) > [Loading Blocks](#)

The Universal Reloading Tray has been retooled and replaces the LT-150, which has served reloaders for many years. Designed to hold 50 rounds for loading. While it still holds almost all rifle cartridges .17 through .458 Winchester and handgun calibers for 9MM, .38 and .45 pistol caliber, it also now fits new rounds, such as the WSM, WSSM, Rem, Ultra Mags and the 500 S&W Mag.

# Universal Reloading Tray Safety Instructions

## Introduction

Thank you for choosing the Universal Reloading Tray by MTM CASEGARD. This product is designed to enhance your reloading experience by securely holding up to 50 rounds of various rifle and handgun cartridges. To ensure your safety and the safe use of this product, please read and follow the instructions outlined in this guide.

## General Safety Guidelines

- Always use the Universal Reloading Tray in accordance with the manufacturer's instructions.
- Ensure that the tray is placed on a stable and flat surface during use to prevent spills and accidents.
- Keep the reloading area clean and organized to avoid distractions and potential hazards.
- Store the tray in a safe place, out of reach of children and pets.
- Regularly inspect the tray for any signs of wear or damage before use. Do not use if damaged.

## Specific Safety Precautions for Use

- Use the tray only for its intended purpose of holding reloading cartridges.
- Avoid overloading the tray beyond its capacity of 50 rounds.
- Handle all cartridges with care, treating them as if they are live ammunition.
- Wear appropriate safety gear, such as safety glasses, when reloading ammunition.
- Do not leave the tray unattended when it contains loaded cartridges.

## Instructions for Installation and Usage

1. **Unpack the Tray:** Carefully remove the Universal Reloading Tray from its packaging. Check for any visible damage.
2. **Placement:** Place the tray on a stable, flat surface in your reloading area.
3. **Loading Cartridges:**
  - Ensure the tray is clean and free from debris.
  - Load cartridges into the tray, ensuring they fit securely in the designated slots.
  - For optimal safety, do not exceed 50 rounds in the tray at any time.
4. **Using the Tray:**
  - When using the tray, maintain a clean workspace and stay focused.
  - Avoid distractions and do not engage in conversations that may divert your attention.
5. **After Use:**
  - Remove all cartridges from the tray after use.
  - Clean the tray with a soft cloth to remove any residue.
  - Store the tray in a safe location when not in use.

## Disposal Instructions

- Dispose of the Universal Reloading Tray responsibly.
- If the tray is damaged or no longer usable, consider recycling it if possible, following local regulations.
- Do not dispose of the tray in regular household waste if it contains any remnants of ammunition.

## Contact Information for Further Support

For any safety inquiries, please refer to the manufacturer's website or contact your local distributor. It is important to address any concerns you may have regarding the safety of this product.

## Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with your Universal Reloading Tray. Always prioritize safety and stay informed about best practices in ammunition handling and reloading. Thank you for your attention to these important guidelines.
