

MAGAZINE CARRIER TACO RIFLE MOLLE MOUNT - High Speed Gear

RIFLE TACO MOLLE BLACK

[Shooting Accessories](#) > [Range Gear](#) > [Magazine Storage Pouches](#)

High Speed Gear's TACO Rifle Molle mounted magazine carrier uses injection molded polymer sides, Cordura™ front and back, and shock cord lacing to lock just about any rifle magazine into place. USGI, HK, PMAG, ARC, FAL, AK 30/ 40, LR20 and M14 magazines are all held securely and deployed easily and silently on demand. The TACO® Rifle magazine carrier even works for certain radios, flash bangs and smoke grenades and provides this versatility while taking up only 3" horizontal inches on your mounting platform. The pouch maintains a positive, adjustable grip on its contents without additional securing systems. However, if additional retention is desired webbing tabs are sewn in on the top for use of "over the top" bungee retainers and loop Velcro is sewn on the interior if the users wishes to use adhesive hook on the magazine.

Attributes

- Name: [High Speed Gear RIFLE TACO MOLLE BLACK](#)

MAGAZINE CARRIER TACO RIFLE MOLLE MOUNT HIGH SPEED GEAR RIFLE TACO MOLLE BLACK Safety Instruction Guide

Introduction

Thank you for choosing the MAGAZINE CARRIER TACO RIFLE MOLLE MOUNT from HIGH SPEED GEAR. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magazine carrier. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the magazine carrier is suitable for your specific rifle magazines. Confirm compatibility with USGI, HK, PMAG, ARC, FAL, AK 30/40, LR20, and M14 magazines.
- Always inspect the magazine carrier for any signs of damage or wear before each use. Do not use if damaged.
- Keep the magazine carrier out of reach of children and vulnerable individuals to prevent accidental injury.
- Use the magazine carrier only for its intended purpose. Misuse may lead to injury or equipment failure.
- In case of any safety concerns or product issues, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the magazine is securely locked in place before handling or transporting the carrier.
- Be cautious when removing or inserting magazines to avoid pinching fingers or causing injury.
- If using additional retention systems, such as bungee retainers or adhesive hooks, ensure they are properly secured.
- Avoid overloading the magazine carrier beyond its designed capacity to prevent failure.
- Use the carrier in a manner that does not obstruct your movement or visibility.

Instructions for Installation and Usage

1. Installation:

- Identify the mounting platform where you will attach the magazine carrier.
- Align the carrier with the MOLLE webbing on your mounting platform.
- Thread the carrier's straps through the MOLLE webbing and secure them tightly.
- Ensure that the carrier is firmly attached and does not shift during use.

2. Usage:

- To load a magazine, pull the shock cord lacing to open the carrier.
- Insert the magazine into the carrier, ensuring it is seated properly.
- Release the shock cord lacing to secure the magazine in place.
- For additional security, consider using the webbing tabs for "over the top" bungee retainers.
- If desired, you may use the loop Velcro on the interior for added retention.

Disposal Instructions

- Dispose of the magazine carrier in accordance with local regulations.
- If the product is no longer usable, consider recycling the materials where possible.
- Do not dispose of the carrier in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the MAGAZINE CARRIER TACO RIFLE MOLLE MOUNT, please refer to the manufacturer's contact details provided on the packaging or the official website.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
