# Safety Instruction Guide for the Apex Tactical Action Enhancement Trigger for Glock®

## Introduction

Thank you for choosing the Apex Tactical Action Enhancement Trigger for Glock®. This product is designed to improve your shooting experience by providing a smoother trigger pull and reducing overall trigger travel. However, it is crucial to follow safety guidelines to ensure safe and effective use. This guide outlines essential safety information, installation instructions, and disposal guidelines.

## General Safety Guidelines

- **Product Safety:** Always ensure that the product is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any product recalls. Follow the manufacturer's guidelines for returns or replacements if necessary.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety standards and provides clear product information.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, always refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that this trigger is only installed on compatible Gen 3 Glock models. It is not suitable for Gen 4 or Gen 5 Glocks.
- **Trigger Bar Requirement:** The product requires the use of a stock Gen 3 trigger bar. Do not attempt to use it with any other trigger bar.
- **Installation Caution:** Removing the factory trigger from the trigger bar requires replacing the complete assembly to revert to stock. Ensure you are comfortable with this process before proceeding.
- **Safety Features:** The centermount pivoting safety is designed to maintain factory safety values. Do not disable or modify this feature.
- **Regular Inspection:** Periodically inspect the trigger and its components for wear or damage. Replace any worn or damaged parts immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool and a small hammer.

### 2. Remove the Factory Trigger:

- Disassemble your Glock® according to the manufacturer's instructions.
- Carefully remove the factory trigger from the trigger bar.

### 3. Install the Apex Tactical Trigger:

- Align the Apex Tactical Action Enhancement Trigger with the stock Gen 3 trigger bar.
- Gently press the trigger into place, ensuring it is seated correctly.

#### 4. **Reassemble the Firearm:**

- Follow the manufacturer's instructions to reassemble your Glock®.
- Ensure all components are secure and properly aligned.

#### 5. **Test the Trigger:**

- Conduct a function check to ensure the trigger operates smoothly.
- Verify that the safety features are functioning correctly.

#### 6. **Regular Maintenance:**

- Clean and lubricate the trigger as needed, following the manufacturer's recommendations.

## **Disposal Instructions**

- **Responsible Disposal:** Dispose of the product in accordance with local regulations. Do not throw it in regular household waste.
- **Environmental Considerations:** Consider recycling components where possible. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Apex Tactical Action Enhancement Trigger for Glock®, please refer to the manufacturer's contact information provided with the product. Ensure you have your purchase details ready for reference.

By following these safety guidelines and instructions, you can enhance your shooting experience while ensuring safe use of the Apex Tactical Action Enhancement Trigger for Glock®. Thank you for prioritizing safety!
