

AR-15 300 BLK PMAG 30 GEN M3 MAGAZINE - MAGPUL PMAG AR 300 GEN M3 300BLK 30RD FOR AR-15 BLACK 1/PACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The PMAG 30 AR 300 B GEN M3 is a purpose-designed magazine for rifles chambered in .300 Blackout. Since its inception, .300 Blackout shooters have had to use a magazine designed for another cartridge, limiting its performance and compatibility. One of the nice features of .300 Blackout is the compatibility with 5.56x45mm parts, but with the magazine it is a compromise to do so. Due to the wide variety of projectile weights and shapes potentially decreasing overall reliability, a dedicated .300 Blackout magazine was a logical step for the PMAG line. In addition to the performance gained by a dedicated mag, the PMAG 30 AR 300 B also offers a safer way to feed your .300 BLK rifle. When using 5.56 mags, the potential to chamber and fire a .300 BLK round in a 5.56 rifle with catastrophic results requires diligent ammunition management by the shooter. The PMAG 30 AR 300 B's distinct rib design provides the shooter a distinct visual and tactile difference from any other PMAG to mitigate dangerous cross-loading issues. Along with optimized .300 BLK performance, the PMAG 30 AR 300 B brings along all of the GEN M3 features such as our next-generation impact and crush resistant polymer, aggressive front and rear texture, an easily removable slim floor plate, a paint pen dot matrix for marking and identification, and a dust/impact cover. Dedicated, purpose-designed magazine for rifles chambered in .300 Blackout. Optimized internal geometry accommodates the wide variety of bullet profiles used in .300 Blackout cartridges. Distinct rib design provides the shooter a visual & tactile difference from any other PMAGs to mitigate dangerous cross-loading. Carries forward the physical & performance features of the rest of the Gen M3 line.

Attributes

Safety Instruction Guide for PMAG 30 AR 300 B GEN M3 Magazine

Introduction

Thank you for choosing the PMAG 30 AR 300 B GEN M3 Magazine by MAGPUL. This magazine is specifically designed for rifles chambered in .300 Blackout. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Always ensure that the magazine is used with compatible firearms and ammunition. Improper use can lead to serious injury or damage.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check the EU Safety Gate platform for updates.
- **Online Shopping Safety:** When purchasing online, ensure that the retailer complies with safety regulations and provides proper product information.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the relevant EU contact points for assistance.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates regarding unsafe products.

Specific Safety Precautions for Use

- **Compatibility:** Only use the PMAG 30 AR 300 B with .300 Blackout firearms. Using it with incompatible firearms can cause malfunctions or accidents.
- **Ammunition Management:** Avoid using 5.56 magazines with .300 BLK ammunition to prevent dangerous crossloading. Ensure that the ammunition used is appropriate for the firearm.
- **Visual Inspection:** Before each use, visually inspect the magazine for any signs of damage or wear. Do not use if damaged.
- **Loading:** Follow proper loading techniques to avoid jams or misfires. Ensure that ammunition is seated correctly in the magazine.
- **Storage:** Store the magazine in a cool, dry place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Loading the Magazine:

- Place the magazine on a flat surface.
- Ensure that the follower is fully depressed.
- Insert .300 BLK cartridges one at a time, ensuring they are aligned properly.
- Fill the magazine to its maximum capacity of 30 rounds.

2. Installing the Magazine in the Firearm:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until you hear a click.

3. Removing the Magazine:

- Press the magazine release button on the firearm.
- Pull the magazine straight down and out of the magazine well.

4. Using the Magazine:

- Always keep the firearm pointed in a safe direction.
- Be aware of your surroundings and ensure that you have a proper backstop when firing.
- After firing, inspect the magazine for any issues before reloading.

Disposal Instructions

- **Disposal of the Magazine:** When the magazine is no longer usable, dispose of it in accordance with local regulations for plastic waste.
- **Recycling:** Check if local recycling programs accept polymer materials. If so, recycle the magazine responsibly.

Contact Information for Further Support

For any questions or concerns regarding the PMAG 30 AR 300 B GEN M3 Magazine, please consult the relevant support channels provided by MAGPUL or your retailer.

By following these guidelines and instructions, you can ensure a safe and effective experience with your PMAG 30 AR 300 B GEN M3 Magazine. Thank you for your attention to safety.
