DAKA Suppressor Pouches Safety Instruction Guide

Introduction

Thank you for choosing the DAKA Suppressor Pouches by Magpul. This guide provides essential safety instructions to ensure the safe use and handling of your suppressor pouch. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the DAKA Suppressor Pouch is used only for its intended purpose: storing and transporting suppressors and associated NFA paperwork.
- Always inspect the pouch for any signs of damage or wear before each use. Do not use the pouch if it is damaged.
- Keep the pouch out of reach of children and vulnerable individuals to prevent accidental injury or misuse.
- Be aware of your surroundings when using the pouch in outdoor environments to avoid potential hazards.

Specific Safety Precautions for Use

- **AntiSlip Exterior Texture:** The pouch features an antislip texture. Ensure that your grip is secure when handling the pouch to prevent accidental drops.
- **Welded Seams:** The welded seams are designed to keep dirt and water out. However, avoid exposing the pouch to extreme conditions for prolonged periods to maintain its integrity.
- **Zipper Usage:** Use the YKK AquaGuard® waterresistant zipper with care. Do not force the zipper if it encounters resistance, as this may lead to damage.
- **Carabiner Attachment:** When using the carabiner attachment points, ensure that the carabiner is securely fastened to prevent accidental detachment.
- **Paracord Grip:** The 550 paracord with heat shrink tubing provides superior grip. Ensure that the paracord is not frayed or damaged before use.

Instructions for Installation and Usage

1. Loading the Suppressor:

- Open the pouch using the zipper.
- Carefully place your suppressor inside the pouch, ensuring it fits snugly without forcing it.
- Close the zipper securely to protect the suppressor from dirt and moisture.

2. Transporting the Pouch:

- Use the carabiner attachment points to secure the pouch to your gear or belt.
- Ensure that the pouch is properly secured to avoid accidental loss during transport.

3. Storing the Pouch:

- Store the pouch in a cool, dry place when not in use.
- Avoid placing heavy objects on top of the pouch to maintain its shape and functionality.

Disposal Instructions

- Dispose of the DAKA Suppressor Pouch responsibly. If the pouch is damaged beyond repair, consider recycling it if possible.

- Follow local regulations for disposal of polymer materials and packaging.

Contact Information for Further Support

For any inquiries or concerns regarding the DAKA Suppressor Pouches, please refer to the manufacturer's contact information provided on the packaging or visit the official website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your DAKA Suppressor Pouch. Always prioritize safety and be aware of your surroundings while using this product. Thank you for your attention to these guidelines.
