# DAKA Suppressor Pouches Safety Instructions

## Introduction

Thank you for choosing the DAKA Suppressor Pouch by Magpul. This product is designed to securely store and transport your suppressor and its accompanying NFA paperwork. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always inspect the pouch before use for any signs of damage or wear.
- Keep the pouch away from children and pets to prevent accidents.
- Use the pouch only for its intended purpose: storing suppressors and related paperwork.
- Ensure that the suppressor is unloaded and cool before placing it in the pouch.
- Do not expose the pouch to extreme temperatures or direct sunlight for prolonged periods.

## Specific Safety Precautions for Use

- **AntiSlip Texture:** The exterior of the pouch is designed to prevent slipping. Ensure that it is placed on a stable surface during use.
- **Zipper Safety:** Always ensure the zipper is fully closed when transporting the pouch to prevent accidental openings.
- **Carabiner Attachment:** Use the provided carabiner attachment points to secure the pouch when necessary, especially during transport.
- **Paracord Grip:** Utilize the tough 550 paracord with heat shrink tubing for a secure grip when handling the pouch.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the suppressor is cool and unloaded.
- Gather any accompanying NFA paperwork that needs to be stored with the suppressor.

### 2. Loading the Pouch:

- Open the YKK AquaGuard® waterresistant zipper completely.
- Place the suppressor inside the pouch, ensuring it fits snugly without forcing it.
- Place the NFA paperwork in the designated pocket, if available.

### 3. Sealing the Pouch:

- Close the zipper securely to ensure the pouch is sealed against dirt and water.
- Doublecheck that the zipper is fully closed before transporting.

### 4. Transporting the Pouch:

- Use the carabiner attachment points to secure the pouch to your gear if necessary.
- Carry the pouch with the paracord grip for added comfort and security.

### 5. Storage:

- Store the pouch in a cool, dry place when not in use.
- Avoid placing heavy objects on top of the pouch to maintain its shape.

## **Disposal Instructions**

- Dispose of the pouch in accordance with local regulations.
- If the pouch is damaged and no longer usable, consider recycling its components if possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the DAKA Suppressor Pouch, please refer to the official Magpul website or your local distributor for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your DAKA Suppressor Pouch. Always prioritize safety and stay informed about any product recalls or safety alerts. Thank you for your attention to these important guidelines.
