DAKA Suppressor Pouches Safety Instruction Guide

Introduction

Thank you for choosing the DAKA Suppressor Pouch by Magpul. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your suppressor pouch. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the pouch is used only for its intended purpose: storing and transporting suppressors and related paperwork.
- Inspect the pouch regularly for signs of wear or damage. Do not use if damaged.
- Keep the pouch out of reach of children and vulnerable individuals to prevent misuse.
- Follow all local laws and regulations regarding the storage and transportation of suppressors and NFA paperwork.
- Report any unsafe conditions or incidents related to the use of this product to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended size limits for each pouch. Use the appropriate size for your suppressor:
 - Small: 9.25" x 3" for rimfire cans
 - Medium: 10.5" x 3.5" for 5.56 / .223 suppressors
 - Large: 13" x 4.25" for 7.62 / .308 cans
- **Water Resistance:** While the DAKA Suppressor Pouch is designed to be waterresistant, avoid prolonged exposure to water. Ensure the pouch is dry before storing your suppressor.
- **Secure Fastening:** Always ensure that the zipper is fully closed when transporting the pouch to prevent accidental opening.
- **Carabiner Usage:** Use the carabiner attachment points responsibly. Ensure that the carabiner is securely fastened to prevent dropping the pouch.
- **Heat Exposure:** Avoid exposing the pouch to extreme heat sources, as this may damage the materials and compromise its integrity.

Instructions for Installation and Usage

1. Preparing the Pouch:

- Before use, ensure the pouch is clean and free from any foreign debris.
- Check for any visible damage or wear.

2. Storing Your Suppressor:

- Open the pouch using the durable YKK AquaGuard® waterresistant zipper.
- Carefully place the suppressor inside the pouch, ensuring it fits snugly.
- If applicable, place any accompanying NFA paperwork in the designated area within the pouch.

3. Closing the Pouch:

- Ensure the suppressor is securely inside before closing.
- Zip the pouch closed completely to protect the contents.

4. Transporting the Pouch:

- Use the carabiner attachment to secure the pouch to a belt loop or bag if desired.
- Carry the pouch with care, ensuring it is not subjected to rough handling.

5. Cleaning and Maintenance:

- Clean the exterior of the pouch with a damp cloth. Do not use harsh chemicals or solvents.
- Allow the pouch to air dry completely before storing.

Disposal Instructions

- When the pouch reaches the end of its life cycle, dispose of it in accordance with local regulations.
- If the pouch is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the pouch in regular household waste if it can be recycled.

Contact Information for Further Support

For any inquiries or further support related to the DAKA Suppressor Pouch, please refer to the manufacturer's contact information provided with your product. Always ensure you have the latest information regarding safety recalls and product updates.

By following these guidelines, you can ensure the safe and effective use of your DAKA Suppressor Pouch. Thank you for your attention to safety and compliance.
