## Gives Shorter, More Consistent Pull With Reduced Pre- & Over-Travel

The Apex M&P Shield 45 Action Enhancement Trigger replaces the factory trigger to you're your Shield a shorter, more consistent pull with 20% less pre- and over-travel. Unlike the hinged, two-piece factory trigger Apex's upgrade offers a solid, stable aluminum trigger shoe with a center-mounted pivoting safety that completely preserves the pistol's original safety values. With its flat face, the M&P Shield 45 Action Enhancement Trigger helps you shoot more accurately by keeping your finger centered on the trigger, directly in line with the bore axis, to minimize the risk of accuracy-robbing off-axis movement. Easy, drop-in installation replaces factory trigger, which can be reinstalled at any time if needed Solid-feeling one-piece aluminum trigger shoe replaces hinged factory shoe Durable hardcoat anodized finish blends in with the rest of your Shield Fits all Smith & Wesson M&P Shield pistols chambered in .45 ACP Works with factory sear and fire control components Includes slave pin to aid in installation of trigger return spring For an even better improvement in your Shield's trigger pull, combine this M&P Shield 45 Action Enhancement Trigger with Apex's Duty / Carry Kit, and see just how a serviceable factory trigger can start feeling like a match trigger.

# Consumer Safety Instruction Guide for S&W SHIELD 45 ACTION ENHANCEMENT TRIGGER

## Introduction

Thank you for choosing the S&W Shield 45 Action Enhancement Trigger by Apex Tactical Specialties Inc. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new trigger. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and the specific components of your Smith & Wesson M&P Shield pistol.
- Always treat your firearm as if it is loaded, even when you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the trigger and firearm in a secure location away from unauthorized users, especially children.
- Regularly inspect your firearm and trigger for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the S&W Shield 45 Action Enhancement Trigger with Smith & Wesson M&P Shield pistols chambered in .45 ACP.
- Ensure that the installation is performed in a clean, dry environment to avoid contamination.
- Do not use the trigger if it shows any signs of damage or if it has been modified in any way.
- Always use the trigger in accordance with the manufacturer's instructions.
- If unsure about any aspect of installation or usage, consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including the supplied slave pin.

### 2. Installation Steps:

- Remove the factory trigger from your Smith & Wesson M&P Shield pistol.
- Install the Apex M&P Shield 45 Action Enhancement Trigger by following these steps:
  - Align the trigger shoe with the trigger bar.
  - Insert the slave pin to aid in the installation of the trigger return spring.
  - Secure the trigger in place and ensure it functions correctly.
- Reinstall any other components that were removed during the process.

### 3. PostInstallation Check:

- Conduct a function check to ensure that the trigger operates smoothly.
- Verify that the pivoting safety operates correctly and that the trigger does not engage unintentionally.

### 4. Usage:

- When using the trigger, ensure your finger is centered on the flat face of the trigger shoe.

- Maintain proper shooting stance and alignment to enhance accuracy.
- Regularly practice safe firearm handling and trigger operation.

## **Disposal Instructions**

- Dispose of the trigger responsibly and in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the S&W Shield 45 Action Enhancement Trigger, please refer to the manufacturer's contact information provided on the packaging or the official website.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following the guidelines and precautions outlined in this manual, you can ensure a safe and enjoyable experience with your S&W Shield 45 Action Enhancement Trigger. Always remember to prioritize safety in all aspects of firearm handling and maintenance.
