# MP1D SINGLE STACK MAGAZINE POST Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the Present Arms MP1D Single Stack Magazine Post. This product is designed to provide secure and safe handling of your firearms during maintenance and storage. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

## General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure the firearm is unloaded before using the magazine post.
- Keep the magazine post out of reach of children and unauthorized users.
- Regularly inspect the magazine post for any signs of damage or wear.
- Use the magazine post only for its intended purpose as specified in this guide.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the magazine post is placed on a stable, flat surface before use.
- Avoid using the magazine post in wet or damp conditions.
- Do not overload the magazine post beyond its designed capacity.
- Always follow the manufacturer's instructions for the specific firearm model you are using.
- Use eye protection when working with firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Place the magazine post on a stable and flat surface.
- Ensure that the post is securely positioned and will not tip over during use.

### 2. Usage:

- Load the magazine post with the appropriate magazine for your firearm model (e.g., Sig Sauer P225, P226, P229, etc.).
- Ensure that the magazine is seated correctly in the post.
- When handling the firearm, keep your fingers away from the trigger until you are ready to shoot.
- After use, remove the magazine from the post and store it safely.

## Disposal Instructions

- Dispose of the magazine post in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is rendered unusable before disposal.
- Consider recycling options for polymer materials where available.
