Gives You More Leverage To Rack Your Pistol

The Tandemkross Halo Charging Ring helps improve your grip and puts an end to sore, pinched fingers when charging your Ruger® MKIV™, MKIII™ or 22/45™ pistol. Ambidextrous design of the Tandemkross Halo Charging Ring allows for easy charging for both left and right-handed users. Charging Ring is great for competition shooters who might need to quickly charge the pistol or clear a jam. Makes charging easy for all users Unique and stylish pull ring design Works with holsters Fits Ruger® MKIV™, MKIII™ and 22/45™ pistols Made of lightweight, aluminum, the Tandemkross Halo Charging Ring won't add extra weight to the back of the pistol or interfere with the pistol's action.

Safety Instruction Guide for the Tandemkross "HALO" Charging Ring

Introduction

Thank you for choosing the Tandemkross "HALO" Charging Ring for your Ruger® MKIV™, MKIII™, or 22/45™ pistol. This guide provides important safety information, installation instructions, and usage guidelines to ensure the safe and effective use of your new product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the charging ring by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive notice of a recall, please follow the provided instructions.
- **Online Shopping:** If purchased online, ensure the platform complies with EU safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children. It is designed for adult use only.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **User Responsibility:** Always ensure that the charging ring is securely attached to the pistol before use.
- **Grip Safety:** Maintain a proper grip on the pistol while using the charging ring to avoid slips or accidents.
- **Inspect Before Use:** Regularly check the charging ring for any signs of wear or damage. Do not use if damaged.
- **Avoid Forceful Charging:** Do not apply excessive force when charging the pistol, as this may lead to malfunction or injury.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18.

Instructions for Installation and Usage

Installation

1. **Prepare the Pistol:** Ensure the pistol is unloaded and pointed in a safe direction.
2. **Attach the Charging Ring:**
 - Align the charging ring with the slide of the pistol.
 - Gently press the ring into place until it clicks securely.
 - Verify that it is firmly attached before use.

Usage

- **Charging the Pistol:**
 - Grip the pistol firmly with one hand.
 - Use the charging ring with the other hand to pull back the slide.
 - Release the slide to chamber a round.
- **Clearing a Jam:**
 - If a jam occurs, follow standard clearing procedures for your pistol.
 - Use the charging ring to assist in pulling back the slide as needed.

Disposal Instructions

- **Environmental Considerations:** Dispose of the charging ring in accordance with local regulations. Do

not dispose of in general waste if it can be recycled.

- **Recycling:** Check with local recycling facilities to see if they accept aluminum products.

Contact Information for Further Support

For any questions or concerns regarding the Tandemkross "HALO" Charging Ring, please refer to the contact information provided by the retailer or manufacturer. Ensure you have the product details available for a quicker response.

By following these guidelines and instructions, you can help ensure a safe experience with your Tandemkross "HALO" Charging Ring. Always prioritize safety and responsible usage. Thank you for your attention to these important safety measures.
