[Handgun Parts](#) > [Slide Parts](#) > [Slide Hardware](#) > [Slide Rackers](#)

Gives You More Leverage To Rack Your Pistol

The Tandemkross Halo Charging Ring helps improve your grip and puts an end to sore, pinched fingers when charging your Ruger® MKIV™, MKIII™ or 22/45™ pistol. Ambidextrous design of the Tandemkross Halo Charging Ring allows for easy charging for both left and right-handed users. Charging Ring is great for competition shooters who might need to quickly charge the pistol or clear a jam. Makes charging easy for all users Unique and stylish pull ring design Works with holsters Fits Ruger® MKIV™, MKIII™ and 22/45™ pistols Made of lightweight, aluminum, the Tandemkross Halo Charging Ring won't add extra weight to the back of the pistol or interfere with the pistol's action.

Safety Instruction Guide for the Tandemkross "HALO" Charging Ring

Introduction

Thank you for choosing the Tandemkross "HALO" Charging Ring for your Ruger® MKIV™, MKIII™, or 22/45™ pistol. This guide provides essential safety instructions and information to ensure the safe use of the product. Please read this guide carefully before using the Charging Ring.

General Safety Guidelines

- Ensure the Charging Ring is compatible with your Ruger® MKIV™, MKIII™, or 22/45™ pistol before use.
- Always handle your firearm safely and responsibly, following all local laws and regulations.
- Keep the Charging Ring out of reach of children and unauthorized users.
- Inspect the Charging Ring for any signs of damage before each use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or using the Charging Ring.
- Use the Charging Ring only for its intended purpose: assisting in the charging of the firearm.
- Do not modify or alter the Charging Ring in any way, as this may compromise safety.
- Avoid using excessive force when charging the firearm to prevent injury or damage.
- If you experience difficulty while using the Charging Ring, stop and consult a qualified professional.

Instructions for Installation and Usage

1. Installation of the Charging Ring:

- Ensure the firearm is unloaded.
- Align the Charging Ring with the rear of the slide.
- Gently push the Charging Ring onto the slide until it is securely in place.
- Ensure the Charging Ring is firmly attached and does not obstruct any firearm functions.

2. Using the Charging Ring:

- Grip the Charging Ring firmly with your dominant hand.
- Pull back the slide using the Charging Ring to chamber a round or clear a jam.
- Practice using the Charging Ring in a safe environment to become familiar with its operation.

3. PostUse:

- After use, store the Charging Ring in a safe place away from children and unauthorized users.
- Regularly inspect the Charging Ring for wear and tear.

Disposal Instructions

- Dispose of the Charging Ring responsibly. Do not throw it in regular household waste.
- If the Charging Ring is damaged beyond use, check with local regulations for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Tandemkross "HALO" Charging Ring, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure the safe and effective use of the Tandemkross "HALO" Charging Ring. Thank you for your commitment to safety and responsible firearm handling.
