Safety Instruction Guide for IO TRIJICON® MRO COVERS TANGODOWN TRIJICON MRO COVER, FDE

Introduction

Thank you for choosing the Tangodown iO Protective Body Armor for your Trijicon MRO optic. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a protective cover for Trijicon MRO optics.
- Always inspect the product before use for any signs of damage or wear. Do not use if damaged.
- Store the product in a cool, dry place away from direct sunlight and extreme temperatures.
- Keep this product out of reach of children and pets to prevent accidental injury or misuse.
- If you experience any issues or accidents related to the product, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid exposing the product to harsh solvents or chemicals, as they may damage the material.
- Do not attempt to modify or alter the product, as this may compromise its protective capabilities.
- When using the product in environments with extreme weather conditions, check for proper sealing and fit.
- Ensure that the lens caps are securely fastened when not in use to prevent loss or damage.

Instructions for Installation and Usage

1. Installation:

- Begin by ensuring your Trijicon MRO optic is clean and free of debris.
- Align the Tangodown iO Protective Body Armor with the optic, ensuring a snug fit.
- Gently press the protective cover onto the optic until it is securely in place.
- Confirm that the lens caps are properly seated and do not wobble.

2. Usage:

- To open the lens caps, grasp the cap firmly and pull it away from the optic.
- To close the lens caps, push them back into place until you hear a click, indicating they are secured.
- Always check that the caps are closed when not in use to protect the optic from environmental elements.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling options if available.
- Do not dispose of the product in general waste if it contains hazardous materials. Check local guidelines for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with the product packaging.

This safety instruction guide is designed to help you use the Tangodown iO Protective Body Armor safely and effectively. Please keep this document for future reference. Thank you for prioritizing safety!
