

TRAIL-LITE COMPENSATOR - TACTICAL SOLUTIONS, LLC TRAIL-LITE COMPENSATOR MATTE BLACK

[Handgun Parts](#) > [Barrel Parts](#) > [Muzzle Devices](#) > [Compensators](#)

A large internal expansion chamber and 48 vent holes redirect muzzle blast to help control muzzle jump and recoil, so you can keep your Buck Mark's sights on the target for fast follow up shots. Simply screws the Trail-Lite barrels and has the same O.D. as the barrel for a neat look.

TRAILLITE COMPENSATOR Safety Instruction Guide

Introduction

Thank you for choosing the TRAILLITE COMPENSATOR by Tactical Solutions, LLC. This safety instruction guide is designed to ensure the safe use of the product, provide important safety guidelines, and offer installation and usage instructions. Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle the TRAILLITE COMPENSATOR with care and ensure it is installed correctly.
- Ensure that you are in a safe environment when using the product, free from bystanders and obstacles.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the TRAILLITE COMPENSATOR for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the TRAILLITE COMPENSATOR.
- Use the compensator only with compatible firearms, specifically designed for the Browning Buck Mark model.
- Do not exceed the manufacturer's specifications for ammunition type and caliber.
- Be aware of the increased noise levels when using the compensator; hearing protection is recommended.
- Avoid placing your hands or any body parts near the muzzle when firing.
- Do not attempt to modify or disassemble the TRAILLITE COMPENSATOR.

Instructions for Installation and Usage

Installation

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

2. Attaching the Compensator

- Align the TRAILLITE COMPENSATOR with the end of the Browning Buck Mark barrel.
- Screw the compensator onto the barrel until it is securely fastened. Ensure it is tight but do not overtorque.

3. Final Check

- Inspect the installation to ensure that the compensator is properly aligned and securely attached.
- Check for any visible gaps or misalignments.

Usage

- Always ensure the firearm is in a safe condition before firing.
- Aim at the intended target and ensure the area is clear of obstructions.
- Fire the firearm in a safe manner, maintaining control of the firearm to manage recoil and muzzle jump effectively.

Disposal Instructions

- Dispose of the TRAILLITE COMPENSATOR in accordance with local regulations regarding metal recycling.
- If the product is damaged or no longer usable, do not attempt to repair it. Follow local guidelines for disposal of hazardous materials.

Contact Information for Further Support

For any inquiries or support regarding the TRAILLITE COMPENSATOR, please refer to the manufacturer's website or contact their customer service department directly. Ensure that you have the product details and any relevant information ready for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TRAILLITE COMPENSATOR. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
